ALL GERMANS EXPELLED FROM VORONEZH AS BLESquncil For RED DRIVE ROLLS A' Allies Seen

Close To Vital Junction Below Rostov

PRISONERS ARE TAKEN

Capture Of Railhead Would Draw Noose Tighter Around Foe

(By The Associated Press) LONDON, Tuesday, Jan. 26 -The Red army rolling westward on a 500-mile front has expelled all the Germans from Voronezh, upper Don citadel, and reached a point 40 miles from Tikhoretsk, key Caucasian rail junction below Rostov. Moscow reported today, and Premier Joseph Stalin has ordered his troops to hurl back the invaders "over the boundaries of our motherland.

A special communique heard here last night announced the complete occupation of Voronezh, which the Germans had seized partly in their summer drive. Eleven thousand more prisoners were reported taken to make the total for that front 75,000.

Stalin Demands Rout Of Germans And Full Expulsion From Land

(By The Associated Press) LONDON, Tuesday, Jan. 26. -Premier Joseph Stalin in an order of the day broadcast by the Moscow radio today said that the Red army had advanced 245 miles in two months and captured more than 200,000 prisoners, and he demanded: "Forward to the routing of the German invaders and their expulsion over the boundaries of our mother-

"The offensive of our troops continues," he said in the order, reported by the Soviet radio Monitor here.

Stalin's call for the expulsion of the Germans from Russia indicated that the Soviets had no intention of slackening their huge winter drive that already has rolled the Germans back from the Volga river and is threatening to wipe out all the Nazi gains of

last summer and fall. The Russian leader said 162 Axis divisions had been routed in the westward sweep, and 13,000 guns and a large quantity of other enemy equipment had been captured.

United States War Production Figure Outstrips Allies

WASHINGTON, Jan. 25-(P) The United States has now outstripped the war production rate of every other Allied nation and has supplied \$8,253,-000 worth of lend-lease goods and services to other countries from March 11, 1941, to December 31, 1942, Lend-Lease Administrator Edward R. Stettinus, Jr., reported to Con-

gress today. The furnishing of lend-lease aid declined from a peak of \$915,000,000 in October to \$810,-000,000 in November and \$757,-000,000 in December, the report disclosed.
