Greetings:

We the undersigned Committee representing the Taxi Drivers of the several Taxi Companies operating in the City of Wilmington, North Carolina, hereby respectfully petition and request that taxi parking spaces be provided in the business district and in front of all hotels, railway and bus stations.

At present at least twenty per cent of our driving is consumed in cruising around because of lack of such parking spaces for the cabs. This unnecessary waste of gasoline, oil, tires and wear and tear upon presently irreplacable auto-taxis is unpatriotic and un-American.

We respectfully ask that the City Council give us a reply to our petition on or before one week from date. Dated this 28th day of May, 1943.
