Dodgers Take Double From Cincinnati Reds

War Relief Bill Includes Tenor Solos by Fred Walker

BROOKLYN, June 30.—(P)—The Brooklyn Dodgers dressed up their war relief doubleheader today with plenty of trimmings, including a couple of tenor solos by Fred (the Dixie Songbird) Walker, but the best entertainment they gave the 26,893 fans at Ebbets Field were two rousing victories over the Cincinnati Reds, 5 to 0 and 11 to 5.

The double victory raised the Dodgers half a game ahead of the St. Louis Cardinals in the won-lost totals, although St. Louis held a precious five-point margin in the percentages to remain in first place in the National League.

BOSTON DROPS TWO TO CUBS

Braves Have Yet To Defeat Chicago In 1943 Season

BOSTON, June 30.—(P)—The Chicago Cubs, who have yet to be beaten by the Boston Braves in the 1943 campaign, scored 6-2 and 5-4 victories over the Braves today as a crowd of 9,123 contributed \$9,323.82 towards the war relief fund, with receipts still being counted.

Hiram Bithorn won the opener for the Cubs, pitching seven-hit ball as his mates scored three runs off Nate Andrews in the third inning and added three more off Dave Odom in the fourth.

Facing a three run deficit in the nightcap, the Cubs landed on Jim Tobin in the sixth and turned five hits and two walks into four runs. The Braves tied the score in their half of the sixth and it remained tied until the ninth when Bill Nicholson punched out his eighth homer of the season to give the Cubs the decision.

NEW TAX MEASURE BEGINS OPERATION

withholding levy, but not from final payment of income taxes, farm laborers, domestic servants, members of the armed forces and ministers. In addition it makes special provision for farmers, by permitting them to file their anticipated income estimates as late as December 15, and gives them a permissible margin of error of 33 1/3 per cent instead of the 20 per cent allowed other taxpayers.

Individual taxpayers, while their current tax bills have not been lessened nor the chore of filing returns lifted, will be happy about two phases of the new system. For this year, at least, they have the word of both Treasury Secretary Morgenthau and Chairman Doughton (D-N. C.) of the tax-framing House Ways and Means committee, that the present levy will not be increased.

Bobcat Bob Montgomery May Meet Sammy Angott

By SID FEDER
NEW YORK, June 30.—(P)—Something new is cooking in the lightweight stewart on the front burner these days, and when it boils over it may turn out to be a title tussle between Bobcat Bob Montgomery and Swattin' Sammy Angott.

In addition to making up a tasty dish, whether or not it's garnished with mashed potato rosettes and cauliflower hollandaise, this would also straighten out the whole laughable lightweight follies. It would leave you with just one champ, at long last, instead of the mess that's been as mixed up as boarding house hash for months.

As far as all hands are concerned, the thing is as hushhush as a military secret, since the original plan was for Bobcat to put his title on the line first against Beau, the jumping jack, from whom he took it a couple of months ago. But some spicy condiments have been sprinkled into the pot in recent days to make it look as if the

RED SOX, TIGERS PLAY TO 3-3 TIE

Twilight Game Is Called On Account Of Darkness

DETROIT, June 30.—The Boston Red Sox and Detroit Tigers, exchanging dramatic ninth inning home runs, played to a 3 to 3 tie in 12 innings in a twilight game tonight before 13,789 fans who paid an estimated \$10,000 to the National War Fund, Inc.

The Tigers nailed lanky Tex Hughson, seeking his tenth victory, for a first inning run on three hits and an unearned marker in the seventh. Going into the ninth, Virgil Trucks and Hal White had a three-hit shutout, but Tony Luppy singled and with two out Bobby Doerr slammed his fifth homer.

A pass to Babe Barna and Eddie Lake's double put the Sox in front, but Pinky Higgins opened the Tiger ninth off Mace Brown with his sixth homer of the season to square things again. That's the way it stood when darkness set in.

Score by innings:
Boston ... 000 000 003 000—3 7 1
Detroit .. 100 000 101 000—3 10 2
(Called on account of darkness.)
Hughson, Brown and Partee; Trucks, White, Newhouser and Trucks.

presumably a reference to the attack on Le Mans. During June the Eighth Air Force has lost 82 bombers in seven expeditions compared to 62 heavy and ten medium bombers lost in nine raids in May. In view of the much larger number of planes involved in June, however, the losses were not considered excessive.

The number of German fighters shot down in the last month probably is between 200 and 250, and the Americans also have increased greatly their bomb tonnage per raid.

Capt. Sir Harold H. Balfour, under secretary of state for air, emphasized the magnitude of the Allied aerial offensive. He told the House of Commons today that the RAF now is dropping bombs on Germany at three times the 1942 rate.

Approximately 37,500 tons had been dropped on Germany in the three months ending June 26 as compared with approximately 12,000 tons loosed in the corresponding period for 1942, he said.

The Germans themselves highlighted their defensive status by broadcasting for home consumption an OWI report that 1,100 German fighter planes and 30,000 guns had been concentrated in the Ruhr. Large segments of this industrial heart of Germany have been gutted by the RAF, which delivered nine major attacks against it in June. It was reliably estimated that the RAF's deluge of 12,500 tons in May had been surpassed by upwards of 1,000 tons.

Britain's greatest bomber force of the war struck Duesseldorf June 11. The month also was notable in Britain's inauguration of a "shuttle service" and the first penetration by American airmen of the Ruhr. In addition, an official statement said the U. S. Eighth Air Force had been doubled since March, and would be re-doubled by October.

Masked Marvel Meets Jimmy Coffield Here

The Masked Marvel will make his debut in the squared area of Thalian hall Friday night. He is matched with the speedy and scientific Jimmy Coffield of Kansas City, Mo.

The highlight on the all-star card is a return match between Cowboy Luttrall of Fort Worth, Texas, and Pete Managoff.

Managoff lost his head last week and turned on the referee, thus losing the match. Pete asked for another chance and it was granted.

Jack Dillon of Atlanta, Ga., will be the third man in the ring. Wrestling night has been changed to Friday nights hereafter. Tickets are now on sale at the Orton Hotel.

WEED SALES WILL OPEN NEXT MONTH

One of these recommendations provided that the buying interests be instructed to see that sales of not more than 360 piles an acre in South Carolina, North Carolina and Virginia be five hours in length and that no piles should exceed 350 pounds in weight, instead of 400 pounds as last year.

Governor Colgate W. Darden Jr., of Virginia, spoke on the difficulties faced by the state departments in operating with limited personnel, and predicted that it was not improbable that "we may have to shut down some sections of the state government until better times."

The association, in addition to re-electing Carrington as president, returned to office Vice Presidents L. L. Gravelly of Rocky Mount, N. C., H. R. Pettus of Richmond, and Clyde B. Austin of Greenville, Tenn. R. C. Stokes of Lynchburg was named as honorary life member of the board of governors, and the following added to the board: H. A. Ford of Richmond, to succeed Stokes; J. G. Boatwright of Danville, to succeed C. W. Toms, Jr., Durham, N. C., deceased, and Walter Paxton of Wilson, N. C.

Carrington, in his annual report said there would be a "tremendous shortage of labor not only with the growers and the warehousemen, but also in the processing of the 1943 crop.

"It would be the duty of everyone connected with this association," he added, "to handle the crop in such a manner that no detriment should accrue to the growers and no harm be done to the food crops which are vitally necessary for the war effort."

Carrington reported that the Commodity Credit Corporation had acquired in average of 22 per cent of the last four flue cured crops.

"If we estimate the 1943 crop at 800,000,000 pounds," he said, "it is now thought that the government will want to acquire approximately 39 per cent of this quantity."

Of the 725,000 green pounds of flue cured leaf purchased by the CCC, 407,962,000 pounds have been shipped to lend-lease companies. 42,000,000 pounds repurchased for shipment by exporters, and 208,426,000 pounds are still in the hands of the corporation, Carrington reported.

The Associated Press said the heavy lend-lease shipments have been brought about by "a decline in the growth of colonial tobacco in India, Australia, New Zealand and South Africa, due to shortage of growers' manpower and to lack of shipping space after the crops are harvested."

CARDS GET SPLIT TO KEEP RANKING

Giants Take Opener 4-3; St. Louis Wins Nightcap, 5-0

NEW YORK, June 30.—(P)—The world champion St. Louis Cardinals managed to hold top position in the National League by five percentage points today, although they had to settle for an even split with the New York Giants in a war fund doubleheader.

While the Brooklyn Dodgers were closing in by trimming Cincinnati twice, the Cards fell before the Giants 4 to 3 in the 10-inning opener, but blasted out four homers as they took the nightcap 5 to 0 behind the six-hit pitching of Howie Pollet.

A crowd of 15,694 contributing an estimated \$17,000 to baseball's war fund program, sat through six hours of baseball and ceremonies that included a parade of representatives of various members of the United Nations and field contests between games.

WALLACE CLEARS RECENT CHARGES

procurement and development of all imported strategic war materials under public purchase, so that BEW may be completely independent of RFC.

The Wallace statement indicated that Byrnes, the Administration's umpire and conciliator of disputes, had thus reached a settlement embracing two points:

1. What was in effect an apology from Wallace to Jones.

2. A promise of White House backing, through the budget bureau, for Wallace's move to free the BEW from dependence on the RFC for funds.

In his statement, Wallace said that the difficulties between himself and the Secretary of Commerce "had to do with strong differences of opinion with regard to the quantities of various products to be obtained at a given time and place." He said these differences might reflect upon the judgment of the individuals involved but "do not reflect upon the desire of the individuals to serve their country."

Informed sources, unwilling to be quoted by name, described the conference in Byrnes' office as fairly friendly with Jones and Wallace talking with each other quite peaceably, though very frankly.

BOMBERS MEET CAMP DAVIS AT ARMY AIR BASE

Wednesday's Rains Give All Six Teams Two Games Apiece

Heavy rains here Wednesday afternoon washed out two Cape Fear league doubleheaders and team managers announced that the postponement twin bills would be played at 4:45 p. m. Thursday together with a third doubleheader already scheduled for Thursday.

At American Legion stadium, the Engineers, now in the league lead, will meet the Welders.

At Hilton Park, the Sheetmetal Workers will play the Blades, expected to be reinforced by the addition of several new players.

And at the new diamond at the Wilmington Army Air Base, the Fighting AA's of Camp Davis will engage the Bluethenthal Bombers who will have Spud Murphy, former Sally league catcher and currently the Cape Fear's heaviest hitter, back in the lineup.

The opening game is set for 3:30 p. m. The three twin bills are the result of games postponed or rained out earlier in the season as the six Cape Fear teams begin to clean house in preparation for the end of the first half race on July 14. Both games will be seven-inning affairs.

Probable pitchers for Camp Davis Thursday are Lefty Davis and old reliable Bob Vaughn while the Bombers are expected to start Ralph Hartman and Howard Auman.

Lefty Cheshire of the Engineers will start in the opener against X. Brown of the Welders with Roy Lamb of the Engineers and Sawyer of the Welders slated to be called for the nightcap.

Joe Moon and Charley Ripple of the Sheetmetal Workers will probably oppose Piner and Red Hill of the Blades.
