446,000 Fathers Facing Induction By January 1

WASHINGTON, Aug. 23.—(P)—Draft Director Lewis B. Hershey, in the first official pronouncement of the kind, said today it probably would be necessary to induct 446,000 pre-Pearl Harbor fathers by January in order to meet quotas for the balance of this year.

The figure was given in a letter sent to the 6,500 local boards explaining why the ban on drafting pre-Pearl Harbor fathers, except those in non-deferable work and therefore subject to induction at any time, had been lifted ef-

Since he put the total number of draft age (18 through 37) fathers in non-agricultural work at 6,559.000, Hershey's
