TIME  
is precious these days!

Most everyone is wartime busy now. Many have their defense jobs, others have just as important and time consuming jobs to do at home. And these duties plus the extra volunteer war activities taken on make your time precious. However it is important to plan your time so as to include some relaxation and relaxing activities.

The Thalians  
offer you opportunity for talent development. If you are interested in the theatre, in acting, writing, directing, mechanics, lighting, etc., you want to join the Thalian Association NOW.
