Sales Of War Bonds Total \$622,000,000, Headquarters Says

WASHINGTON, Jan. 20-(P) -War Bond sales credited to the Fourth War Loan totalled \$522,000,000 through last night, or little more than 11 per cent of the \$5,500,000,000 goal set for individual purchases.

The figure, embracing sales since January 1 although the drive did not open formally until Tuesday, was reported to war loan headquarters tonight Secretary Morgenthau from Cincinnati, where he was scheduled to speak. Although total goal of the drive is \$14,-000,000,000, the first two weeks have been devoted exclusively to sales to individuals.
