WAR BOND PAYROLL

WEEKSVILLE, May 4 — The U. S. Naval Air Station (LTA) here is one of two Fifth Naval District activities which have secured 100 per cent payroll deduction participation from civilian employees in the Navy's war bond program, it is reported by the district war bond officer. GILL'S HOTEL SPECIAL Coffee

"Coffee rationing sure put Gill's 'Hotel Special' Coffee on the map! People found it delivered 10 extra cups of full-bodied coffee per pound, by actual test! But they discovered something else, too! The wonderful flavor that has made 'Hotel Special' a favorite in the South for more than 25 years. They tell me GIVE ME GILL'S FROM NOW ON."

A dash of chicory gives "Hotel Special" extra strength, delicious flavor. That's why you use 1/4th less than when coffee alone is brewed. Always ask your grocer for this fine old favorite.

LIONS CLUB HAS WEEKLY MEETING

Club Enjoys Extensive Program; Nominating Meet Is Set

The Wilmington Lion's Club held their regular weekly meeting yesterday in the banquet room of the Friendly Cafeteria and in the absence of a prepared program, indulged in witty chatter and extemporaneous short speeches dealing with various phases of the club's work.

Lion President James Lawson called attention of the club members to the nominating meeting which will be held in two weeks, on May 18, at which time new club officers will be nominated. The new officers will be elected in June and will be installed at the first meeting in July.

The president also reminded members of National Family Week, which will be observed the week of May 9. A broadcast will be presented over the local station at 9 p.m. Friday night, with Miss Cordelia Foster, Tide Water Power Company home service director, leading a roundtable discussion
