

Our Best Wishes To Everyone

For A Very
Merry
Christmas
---and a
**HAPPY
NEW YEAR**

To you, our friends, who have been with us this past year, and to whom we have had the opportunity of conveying our good wishes in person, we repeat these complements of the season. And to those, our friends and neighbors who, far away from home, are serving our country. May we hear their cheery voices, see them, clasp their hands once more, soon and, next Christmas and through all the years to come, know that "Peace on Earth, Good Will Toward Men," is a reality again.
