Local Camp Ordered To Remain Open Pending Investigation

The Army Air Forces have placed a formal request for use of Camp Davis, especially hospital facilities, it was learned from a reliable source STETTINIUS HEADS

in Washington yesterday. Representative .. Bayard Clark, n an interview with Allen J Green. Star-News Washington correspondent, announced yesterday that the War Department had ordered the big anti-aircraft artillery center to remain open pending a Pan American Union To further investigation.

It was revealed that the House Military Affairs Committee is considering a report, in which future use of the camp is urged by the committee's chief investigator and Col. Adam E. Potts, camp commander.

It was emphasized in the House report that Camp Davis was constructed in pre-priority days, when the supply of construction materials was not limited.

A report from Col. Potts averred can Union, it was disclosed tothat "c" all the station hospitals in the Fourth Service command, the station hospital at Camp Davis ran'.s first in health conditions. C. np Davis also has one

tive meeting of American foreign of the lowest maintenance cost rates in the command," the report added.

Potts Buenos Aires government idea of having such a splendid national relations." camp with such splendid facilities Neither Argentina nor el Salvaremain out of operation," the redor will be invited. Were the Pan port continued, "especially when American Union consulted and its such camps are needed and many procedural machinery used, an inothers with much inferior facilivitation would have to be extendties are being operated and the ed to both countries because they committee investigator concurs in are members of it. night.

CHICAGO, Dec. 28-(UP)-The Army took over plants and stores of Montgomery Ward and Co. in seven cities today, acting under orders from President Roosevelt, but Sewell Avery, board chairman of the mail order firm, refused to accept the Government seizure. The defiant Avery remained in his office in the Chicago

**Completed Within 30 Minutes** 

headquarters until the 5 p.m. closing hour, leaving at that time without comment except for

an earlier formal statement in which he refused to give up management of the concern and bitterdisputed the legality of the Government action.

After his departure, Army officers also left the plant. A few minutes earlier, seven new Army officials had arrived, apparently intending to spend the night in Avery's office.

Occupation of the plant was completed this morning within 30 min-WASHINGTON, Dec. 28.-(UP)utes, soldiers posting placards pro-Secretary of State Edward R. Stetclaiming that the facilities of the tinius, Jr., will head the United firm were the property of the U.
