APPAREL CLINIC OPENED BY OPA

An Apparel clinic, one of 14 being held in the Raleigh district of the Office of Price Administration during January, was conducted here yesterday by Mrs. Nina Shaw, apparel representative of the district office, and attended by price clerks, chief clerks and price panel members from Wilmington, Whiteville, Southport, Burgaw, Chadbourn and Tabor City.

The meeting, held to instruct clerks in making surveys of all apparel stores in the near future, took place in the Grand Jury room of the courthouse.

Beginning at 9:30 a. m. and continuing until 4:30 p. m., the session was attended by Guy Rawls, board operations executive of Raleigh, Pete Winfrey, board supervisor for the Wilmington territory, and Zeno Hollowell, supervisor for Columbus county.

The clinic, twelfth in a series of such meetings, was concerned primarily with a price regulation dealing entirely with ladies' outer-wear garments, and discussion was confined to the revised regulation governing women's, misses', children's and toddler's outer clothing.

The morning session was devoted to the preparation study of merchants' pricing charts and the afternoon meeting to the application of the charts in pricing new cost lines in the outer-wear garments.

PURPLE HEART GIVEN WILMINGTONIAN AFTER HIS DEATH AT FRONT

The Purple Heart, for military merit and for wounds received in action resulting in his death October 13, 1944, has been awarded posthumously to Cpl. John Wells Smallbones. The medal was received by his mother, Mrs. E. W. Smallbones, 125 Walnut street.

Cpl. Smallbones was a member of a bomber crew and was killed in action while returning from a mission over Germany.

The letter received by Mrs. Smallbones from Secretary of War H. L. Stimson, reads in part as follows:

"At the request of the President, I write to inform you that the Purple Heart has been awarded posthumously to your son, Cpl. John W. Smallbones, Air Corps, who sacrificed his life in the defense of his country."

Cpl. Smallbones entered the service in December, 1943, prior to which he was employed in the office of the Auditor of Freight Receipts of the Atlantic Coast Line Railroad company.
