GREEKS COLD ON TURK WAR ENTRY

ATHENS, Feb. 24.—(AP)—Greeks, fearing that Turkey's declaration of war against Germany may result in claims to at least some of the Dodecanese Islands, took a cold view today of the Turkish entry into the conflict.

(Ankara dispatches said that one of the most likely military results of Turkey's declaration would be Turkish assistance in cleaning up German-held islands in the Aegean, including the Dodecanese, which lie of the Turkish coast and were Italian before the war. The remainder of the island-dotted Aegean is largely Greek.)

Greeks are convinced that the new turn of events will cloud post-war territorial settlements in the Aegean area, where Greece is intent on holding her own against all claimants.

There was no official comment from the foreign ministry.

The usually well-informed newspaper Anexartisis quoted Turkish quarters in Athens as saying that Turkey would send a division to the western front to symbolize her participation in the Allied cause.

STELLE TO ATTEND LEGION CEREMONY

John Stelle, of McLeansboro, Ill. and former governor of that state will attend the dedication of the new American Legion home here March 3.

A former member of Company 115th Machine Gun battalion, commanded by the late Capt. Thomas J. Gause, Mr. Stelle will arrive in Wilmington March 2 to attend the annual dinner of Company C. Anniversary dinners usually are held in March 29, the actual date of the organization of the company but the date has been moved up for this year only so that Mr. Stelle may attend.

Approximately 43 members of the original company living in Wilmington and vicinity are expected to attend and renew old acquaintances. The dinner will be held at the Famous Grill on the Carolina Beach road at 7:30 p. m.

Mr. Stelle is a national committee man for the American Legion from Illinois.

SCOTT'S SCRAP BOOK

will be granted to honorably discharged service men and, under certain conditions to the wives of honorably discharged service men. Application may be made to the Civil Service Regional director, in the customhouse. Blanks are available at the postoffice or the Civil Service Regional office.

War workers performing jobs of higher skill are not wanted.

Bats are among the most ancient of mammals.

Martial Law Declared In Craiova

MOSCOW, Feb. 24.—(AP)—Martial law has been declared in the Romanian town of Craiova, dispatches reaching Moscow said today, amid protests and demonstrations against the government of Premier Nicolae Radescu.

Craiova's streets leading to the main square and all roads into the town have been blocked off and peasants bringing produce into the town have been turned back, these reports said.

The newspaper Romania Libera was quoted by the Russian news agency Tass, as saying the Democratic front council had protested sharply against "provocative actions." Protest meetings have been held by Democratic front groups throughout the country, but their activities have been principally in Bucharest.

Examinations Planned For Postal Positions

Examinations will be held at a date to be announced later for ratings of substitute carriers and substitute clerks by the Civil Service commission.

From successful applicants, a pool will be formed to provide employees for the local postoffice, when the need arises.

The jobs will probably last for the duration of the war but in no case for more than six months thereafter.

Basic salaries for the five grades of clerks and city carriers are \$1,700, \$1,800, \$1,900, \$2,000 and \$2,100. On satisfactory performance of duty, holders of the positions will be promoted one grade each year until the fifth grade has been reached.

Requirements are a satisfactory score on a written examination, U. S. Citizenship, age over 16 years, with the applicant physically capable of performing the duties of the position applied for. Job preference
