# SPECIAL STOCKS BOOST RECOVERY

NEW YORK, Feb. 27.—(AP)—Specialties held the recovery limelight in today's stock market until the final quarter hour when a burst of buying pushed up rails, steels, motors, rubbers, aircrafts and a wide assortment of industrial, a number of highs for the year or longer.

Reasons for the rally varied. Among these was the return of investment funds on the idea the four season reaction had served as a technical correction of the lengthly upswing. Dividends and earnings spurred individual issues and the good war news was viewed bullishly.

Gold mining securities were not particularly responsive to the congressional move to lift the price of the yellow metal although this step buoyed inflation psychology to a certain extent.

The Associated Press 60-stock average was up 4 of a 30-point day. Of 933 issues registering, 562 were gainers, 167 losers and 204 unchanged. Transfers totalled 1,190,000 shares and were the smallest for a full stretch since February 9. The aggregate Monday was 1,260,000.

Secondary railway bonds were given a lift. Cotton was 5 to 30 cents a bale higher.

Todd Shipyards, in the Curb, jumped 3 points on a boosted dividend. Ahead also were Beaulieu Mills, reflecting the calling of the company's preferred; Pansteel and Humble Oil. Turnover here was 390,000 shares versus 370,000 yesterday.

# LOCAL WOMEN GET THOUSANDS OF EXTRA RED POINTS

Every day, precious red points are being paid to housewives who turn in used fats to their butchers. Because this country is faced with a possible fat shortage, these used kitchen fats are even more urgently needed to make medicines, synthetic rubber, gunpowder, soaps, paints and a hundred other essentials on the battlefield and home front.

Every woman can help towards final victory by saving every drop of used fats each time she cooks. Even a spoonful is worth salvaging. Won't you keep saving until final victory over both Germany and Japan?
