Sgt. Franklin Newkirk, son of Ben Newkirk, 318 North 16th street, was awarded the Bronze Star for "heroic achievement August 28, 1944, in France." Serving as a tank commander, Sgt. Newkirk encountered strong resistance from anti-tank guns in the vicinity of Vancourt, France. He moved forward and engaged three, destroying them and killing the crews. "Sgt. Newkirk's outstanding achievement reflects great credit upon himself and the armed forces," the citation concludes.

FAMILIES VISIT CONDEMNED TRIO

RALEIGH, March 8.—(A)—Good-byes were spoken today by the families of three youths who will die tomorrow in the State's gas chamber for the fatal shooting February 19, 1943, of E. J. Swanson, elderly Jamestown storekeeper.

Elmer Hardie Biggs, 21, William Dalton Biggs, 20, brothers; and John Edgar Messer, 19, twice have been convicted and twice reprieved. They maintain they are innocent.

The wife and mother-in-law of William Biggs, and the Biggs boys' father visited them today, and the six sisters of Messer, all from Washington, were with him for several hours. All were hopeful that a last-hour reprieve, such as Governor Cherry granted three weeks ago, might save the trio. Overtures were made again to the Governor, but he said that unless new and convincing evidence tending to show innocence was uncovered, he would not intervene. The youths previously had been granted a stay of execution by former Governor Broughton.

SATURDAY WIND-UP
CINCINNATI, O., March 8.—(A)—It happened on Saturday: Mrs. Matti Saturday sued for a divorce from Theodore Saturday.

For Scout Action—

"Lick the waste paper crisis" has become the campaign motto of the nation's 1,866,356 Cubs and Boy Scouts as they swing into the WPB's urgently-requested waste paper salvage drive during March and April. To every Cub and Scout collecting 1000 pounds of paper will go a bronze medal—the Boy Scout Gen. Eisenhower Waste Paper Campaign award, pictured above—attached to a red and white service bar.

First Infantry Captures 60,000th Nazi prisoner

BONN, Germany, March 8.—(A)—The U. S. First Infantry Division, commanded by Brig. Gen. Clift Andrus, captured its 60,000th prisoner today—rounding out a bag equivalent to an entire German army with two corps of three divisions each.

The famous fighting first, many of whose men are from New York, rolled up its record in campaigns in North Africa, Sicily, France, Belgium and Germany.

CO-EDS WEAR 'FATIGUES'

IOWA CITY, Ia., March 8.—(A)—Co-eds at the University of Iowa are wearing something new these days. Threatening the popularity of "blue-jeans," the girls are walking the campus in Army "fatigues"—they have the huge patch-pockets and that sloppy look so dear to a co-ed's heart.
