

AREAS ASSIGNED IN PAPER DRIVE

Boy Scout troops and packs had been given definite assignments of collection areas yesterday for the scrap paper drive in New Hanover county on Sunday afternoon, March 18, according to Carroll Tinsley, assistant Scout executive.

Members of the Junior Chamber of Commerce will be responsible for securing trucks, planning the campaign, manning the trucks, and disposing of the paper. Scouts will distribute 10,000 door-to-door reminders this week, gather the paper on street corners before the collection on Sunday, and help with the collection.

Citizens are requested to place their paper in front of their homes by noon on Sunday, so that the collection will not be delayed.

The door-to-door reminders being distributed inform the people to tie up bundles of paper or put the paper in boxes or bags. This will greatly facilitate handling, and will speed up the collection.

Proceeds from the sale of paper in this collection will aid in the purchasing of a motion picture projector and camp equipment for the use of all Scouts and Cubs in the Cape Fear Area Council.
