

KIWANIS HEARS MANPOWER TALK

Kenneth Eaton addressed the Kiwanis club Wednesday on problems involving manpower, explaining in understandable detail methods which have proved economical in time, material and employees during the war emergency and improvement in employer-employee relations.

Just before the club luncheon, the directors went on record as endorsing the enabling act presented in the House by Representative LeGrand for a junior college and authorized the secretary, the Rev. Walter B. Freed, to wire Mr. LeGrand of its action.

By unanimous vote the club membership also authorized a message of welcome to Leon Brogdon, recently placed under contract as head coach at the high school, whose record at Wilson has been outstanding.

Jimmie Holton, among the club's military members, was welcomed back in regular membership. Mr. Holton recently was returned to civilian life after foreign service extending back to 1940.

Guests at the meeting were Jack Thompson, Jacksonville, Kiwanian, Captain W. L. Sheffield of the Army Air Service and Hughie Bell.

GENERAL MANAGER
NASHVILLE, Tenn., March 14.—(AP)—W. J. McWhorter was named acting general manager of the Nashville, Chattanooga and St. Louis railway today by Fitzgerald Hall, president.

IN TRAINING
Staff Sgt. Troy O'Bryan Evans, son of Mr. and Mrs. S. W. Evans, of Freeland, and husband of the former Letha Allene Andrews, has left for training at Aberdeen, Maryland, it was learned. After completion of the course he will return to Fort Jackson, S. C.

Before the Jay Treaty of 1794, the United States always refused to surrender fugitive criminals.

WOMEN TO HOLD RED CROSS MEET

Today at 2:30 p.m. the Women's County division, of the Wilmington American Red Cross War Fund campaign, under the leadership of Mrs. Julian Morton and the Women's Residential division headed by Mrs. Frances Curtzweiler will hold their organization meeting in the assembly room of the Friendly cafeteria. At 4 p.m. the Business and Profession division lead by Walter Curtis will hold its meeting in the same room.

A "kick-off" breakfast to officially open Wilmington's 1945 American Red Cross campaign will be served leaders and workers of all divisions at St. Paul's Lutheran parish house at 8 a.m. Monday, Robert Strange campaign chairman, announced yesterday.

Appealing to Wilmingtonians for their support in the effort to raise \$80,000 here, Mr. Strange said, "let's get away from the idea of giving something away when we contribute to Red Cross. If all will assume the attitude of supporting Americanism in which Red Cross plays such a tremendous humanitarian part, they will find it very easy to contribute generously because of the personal significance of Red Cross support."

"This, perhaps has been more emphatically expressed in the 'Memo for Joe' idea than in any other of Red Cross has been presented. To illustrate, said Mr. Strange, \$200,000,000 divided by the approximate 10,000,000 men and women in service is approximately \$2 per person in uniform. Not every man in uniform requires Red Cross in the form of blood plasma, nursing or home service, but it is available for them and their families if they require it."

Saying the outlook for the drive was most encouraging, the chairman continued, "Again emphasizing the personal significance of our giving 'Memo for Joe' points out

that it costs \$7 per second. When we make our contribution we can consider we are making it specifically for someone close to us who is in uniform. That situation prevails in every home in the United States, for if it is not a son, husband or daughter, there is at least a nephew."

The schools have asked, at the request of the pupils, if a schoolroom "Joos" may name one or more "Joos" to be honored by their contributions and were assured by Mr. Strange that this was permissible. Factories and stores, in increasing numbers are requesting supplies of the certificates, he reported.

An organization and instruction meeting of the Industrial, Commercial and Public Employee division leadership, under the supervision and direction of James Paul, L. A. Raney, C. L. Harris and Robert Romeo, respectively, was held at 5 p.m. yesterday in the assembly room of the Tide Water building.

At 2:30 p.m. tomorrow the Women's division in charge of county solicitation, under Mrs. Julian Morton, and the Women's Residential division of the city under Mrs. Frances Curtzweiler, will hold an

organization meeting in the Friendly dining hall. The Business and Professional division, headed by Walter Curtis, in charge of all downtown smaller stores and professional offices, will meet at 4 p.m. tomorrow at the same place. The leaders of the divisions have been asked to contact volunteer workers and advise headquarters how many will attend the "kick-off" breakfast.

The waltz, most popular of the 19th century dances, came from Germany though several other countries claim it.

CLOTHING DRIVE OFFICIALS NAMED

A provisional executive committee of local war relief organization leaders met yesterday afternoon to plan a coordinated clothing drive, whose Wilbur R. Doshier, R. A. Dunlea, Emory H. Southerland and Robert Dannenbaum to head its operating subcommittees and defined its objective as the collection during April of one item of clothing from every person in New Hanover county.

Convening in the conference room of the Community Chest and Council, the committee formulated tentative plans to induce County residents to bring clothing contributions to schools, churches and other centers during the first half of April and to conduct a house-to-house canvass throughout the month's last two weeks. The latter phase, probably to be conducted by the Junior Chamber of Commerce and the Senior Fraternity of the Brigade Boys' Club, will be modeled in its operation after the Jaycees' 1945 waste-paper drives, which were successful beyond expectations.

The drive, to furnish clothes for 130,000,000 needy Europeans and Asiatics, of whom 30,000,000 are declared by international relief agencies to be virtually without clothing, will get under way with a publicity campaign following the Easter-Monday holiday. After its termination, the take will be forwarded to North Carolina headquarters and relayed thence to the national organization headed by Henry J. Kaiser.

The national goal is 150,000,000 pounds of clothing. The local objective, it was decided, would be more meaningful if stated in terms of useful articles of raiment. The items most desired will be brought to public attention later.

The subcommittees, which will convene separately during the next fortnight and report to another full committee meeting March 28, are as follows:

Collections: Wilbur R. Doshier (chairman of the executive committee) chairman, George Willard (schools), J. B. Huntington (churches) Thurston Davis (transportation), Cecil Lewis (shipyard) and representatives of the Atlantic Coast Line Railroad Co., and other large establishments to be selected later.

Publicity: R. A. Dunlea, chairman, with assistants to be selected: Shipping: Emory H. Southerland, chairman, A. C. Nichols and Addison Hewlett, Sr., with Atlantic Coast Line and Seaboard Air Line representatives to be selected.

Reports: Robert Dannenbaum, chairman, with other members to be selected.

Attending representatives of agencies and civic clubs, expected to be joined by all like organizations locally active in the drive, included Adam Smith, of Rotary, and W. E. Yopp, of the Lions' club.

SERVICE NOTES

WARSAW, March 14.—Mr. and Mrs. W. E. Currie have been notified that their son, Lt. David E. Currie, who is overseas with a Flying Fortress outfit of the Eighth Air Force, has been awarded the third Oak Leaf Cluster to the Air Medal for "meritorious achievement on bombing missions against the enemy."

The former Catherine Pridden has received notice that her husband F. B. John has been promoted from second to first lieutenant while stationed in southern France.

M. H. Barr recently was promoted to corporal in the Army, it was learned. He has been stationed in Belgium several months.

Pvt. Emmett Rourk has notified his wife, the former Doris Stephens of Warsaw, of his arrival in Belgium.

Cpl. W. H. Carroll, son of Mrs. C. F. Carroll, has been transferred from Miami, Fla., to Camp Wheeler, Ga. Cpl. Carroll recently returned from two years overseas duty.

BEES NEED BUMBERSHOOTS

They say that "bees never get caught in the rain." Maybe you claim you've seen different. But the changed natural light as a storm approaches is supposed to make bees get busy and fly home. They may be weather-wise or not. But you've simply got to be!—for Spring weather demands an oil change in the car you cannot replace, and Conoco Nth motor oil will OIL-PLATE your engine for extreme resistance to wear—

That's really how to hold down carbon, gum and sludge formation.

That's really how to keep up engine power.

That's really how to get good mileage from your oil and gasoline.

The special life-giving nature of OIL-PLATING comes from patented Conoco Nth oil's additional

ingredient—a climax of notable research. This effort developed the magnet-like effect that makes metal attract OIL-PLATING—lubricant fastened square in the path of friction. And you can credit the same intensive research with making your OIL-PLATED engine defy corrosion.

Then both worst causes of wear are curbed. And so you're safer from lay-ups—junking—walking! Surely Conoco Nth oil is worth its slight extra cost. OIL-PLATE today. Continental Oil Company
