Former Comrade Of Hitler Remembers Him As Stupid

HUENXE, Germany, March 28. -(P)-A 64-year-old former soldier who fought in the same brigade as Hitler in the last war was appointed chief of police in this village today.

The former first sergeant said he remembered Hitler as a rather "stupid soldier," and for that reason "never had any faith in Hitler's ability to lead Germany."

Because he was a former Socialist Democrat, the Nazis removed Hitler's former comrade from his job as policeman in 1933 after 2 years service. He said he never joined the Nazis.

"I was a sergeant in one regiment while Hitler was a runner in another," he said. "The two regiments worked together most of the war and I saw him a lot."
