

The Sports Trail

By WHITNEY MARTIN

NEW YORK, April 10.—(AP)—Midweek mutterings: Bob Coleman of the Braves says he is satisfied he has a first division club. Perusing similar statements from other pilots there is just the first season in history with eight clubs finishing in the first division in each major league. Frankie Frisch, Pirate manager, has missed spring drill because of neuritis, arthritis and other ailments. Shucks, we thought all those fellows were on the rosters as active players. We thought very highly of the Cincinnati Reds as a Dark Horse until reading that Eddie Miller hobbled into camp with a cane. At that, we'd rather have Eddie Miller out there with a cane than a lot of able-bodied shortstops we've seen.

signals is so automatic that the sign is given in a split second without conscious thought, and if the umpire tried to call a play wrong intentionally he'd find his voice another. The brittle Bobo Newsom reveals he suffered a broken collar bone in an auto accident last winter. That guy had had more breaks than a sheet club, including the one that sent him to Detroit in 1939. Jimmy Foxx is suffering from sore feet, indicating that extra "x" will mark the spot on which Jimmy will play first base this year. His theme song probably is "Don't Get Around Much Any More."

Breaking down Bryon Nelson's golf game, which the other players don't seem able to do, shows he averaged a birdie about every third hole in shooting his 263 at Atlanta. We aren't so sure about Whit Wyatt, but we think Vince Dimaggio will help the Phillies considerably. He strikes out often with a long bat and covers plenty of floor space out there in center field. Wyatt has had arm trouble before and come back, so maybe he'll fool the skeptics this year, although it's a lot farther coming back from 37 than it is from 17.

Headline: "Dodger batters weak at plate." How's that again? We've often wondered where batters were weak, and are glad to know it is when they are batting.

Bill Stewart, National League umpire, says a good, experienced umpire couldn't call a decision against his judgment if he tried. The reaction of the arm and hand

Whitey Auld Making Good With Navy Club

Bill "Whitey" Auld, three-sport star and Christian Trophy winner at New Hanover High School last year, is now coveting about third base for the Naval Air Station baseball team at Corpus Christi, Texas. The flyers have broken into the Airman lineup despite an abundance of hold-over material from their last year's club.

Auld, capped the Christian cup while starring in football, baseball and basketball at New Hanover last year. The trophy is awarded annually to the senior boy with the best combined athletic and academic record.

A highly competitive athlete, Auld has developed into one of the most efficient of the Airman infielders. Fast fielded and possessing a good throwing arm, he is a mainstay in their strong inner defense.

The husky nineteen-year-old, who has rocketed up to 200 pounds since entering the Navy last July 28, is also showing up well at the plate. A right-handed batter who hits to all fields, he has been clouting opposing pitching at a lusty clip.

A knee injury that hampered him in the 1943 grid campaign has cleared up, and the big blond is running the bases with the same dash that made him one of the top sack thieves in the Eastern Conference for two seasons.

The scrappy Wilmington boy is regarded by Texas diamond men as a fine prospect for professional baseball. Although planning to attend college, he reportedly has a definite eye toward entering the play-for-pay ranks after the war. The Airman will play a full schedule, having carded tilts with many service teams. A host of ex-pros stud the lineups for these clubs, so the 1945 season may well prove a major test for the promising youngster.

CRIPPLED VETS PLAY SOFTBALL

WASHINGTON, April 10.—(AP)—You can't take the spirit of athletic competition out of America's amputees, nor even when they have lost arms and legs.

Amputees from the Walter Reed Hospital demonstrated this today by playing a four-inning softball game in which the enlisted men, all leg cases, whooped it up in defeating the officers' team, 12 to 6. The game was a feature of the Army's physical reconditioning program.

As they amazed themselves, civilian onlookers, newsmen and cameramen with their agility, the amputees played as hard and had as much fun as kids on a corner lot.

A big blond-headed Staff Sergeant Frank Bogdan of Buffalo, N. Y., swatted two home runs, and circled the bases on a gallop. He also pulled two double plays at short. Bogdan lost a leg in Southern France as a member of an anti-aircraft battery with the Seventh Army. In his high school days, he was an all-around athlete.

Wally Pierowicz, also of Buffalo, N. Y., caught for the C's sitting in a chair. As a medical aide, Wally lost both legs at Anzio Beach. He hopes to "throw away the chair" but go right on catching.

Wally once played in the Florida State League under the name of Pierce, for simplification, and was sold to St. Paul of the American Association just before the war broke out.

of the American lines were reported today by Fleet Adm. Chester W. Nimitz. All were beaten off.

Marines of Maj. Gen. Roy S. Geiger's Third Amphibious Corps scored gains up to 2,500 yards in the north, overrunning enemy submarine pens and other installations, but the 24th Army corps lines at the south were substantially unchanged.

On this southern battlefield, where the heaviest artillery duel of the Pacific war is in full fury, several Japanese counterattacks were hurled back. By 6 p. m. yesterday, Nimitz reported, there were "no substantial changes in the lines."

Artillery, ship guns and carrier aircraft closely supported the Yanks, who are driving on the Okinawa capital of Naha.

The fleet communicate reported that by midnight Sunday 4,009 Japanese on Okinawa had been killed and 222 taken prisoner. At that time 43,378 civilians were under care of the U. S. Military Government.

No details were given on the Tsugen island invasion. The island, just off the mouth of Nakagusuku bay, could serve to protect that important fleet anchorage. The Americans now control the inner shore of the big harbor.

Marine artillery has joined infantry big guns pounding the heavily-fortified Japanese positions on Southern Okinawa.

SOFTBALL LEAGUE TO GET UNDERWAY AT STRANGE PARK

Bluethenthal and Crash Boat Tens to Clash Monday Night

The Municipal Senior Softball League has been organized and the opening game will be played at 7:30 p. m. Monday when Bluethenthal Air Base meets the Army Crash Boat ten at Robert Strange Park, announced by Vance Chadwick, city director of athletics.

The second game at 8:30 p. m. will find the City Optical team pitted against the Ethyl-Dow outfit.

Composed of four service and three civilian teams, the league will play its games on the Strange field on Monday, Tuesday, Thursday and Friday nights, with doubleheaders three times weekly. Games will start at 7:30 p. m. and 8:30 p. m. Each team will play the other four times during the season; the winner of the first half will play the second half winner for the city championship. The top civilian and service teams will be eligible to compete in the state tournament.

"The public is invited to the games," Chadwick added, "no admission will be charged."

The teams and their managers are: Prisoner of War Guards, Lt. Hazel; Bluethenthal Air Base, Lt. Tomanchek; Ethyl-Dow, Max Register; Medics of Bluethenthal, T. Carroll; Army Crash Boat, W. O. Cole; Fire Department, E. E. Casten; and City Optical, Keith.

GERMANS LOSE 377 AIRCRAFT

(Continued from Page One)

said that at least 100 more Nazi planes were probably splintered and an untold number were damaged by the 3,600 tons of fragmentation bombs and high explosives dropped by the Flying Fortresses and Liberators.

There was no way of confirming destruction caused by bombs dropped from a 20,000-foot level, but returning crewmen said that before depositing some of their loads they could see several airbases crowded with planes.

A spokesman for Eighth Air Force headquarters said "this record-breaking number of enemy planes destroyed on the ground may rise with the assessment of claims, which is now incomplete and will continue for several days."

One formation of Fortresses and its fighter escort recaptured the heaviest concentration of jet planes so far encountered over Germany when the bombers went in and blasted an ordnance depot and fighter base at Oranienburg, 15 miles north of Berlin.

Flying sometimes in waves of more than four abreast, Flying Forts pounded German air fields in the Brandenburg and Magdeburg areas, while Mustangs ripped into more than 100 parked enemy craft on two fields north-west of Berlin.

Ninth Air Force fighters blasted at least nine ME-109s out of the air north of Weimar and Gotha, while 16 Thunderbolts dropped fragmentation bombs squarely on more than 500 freight cars, 350 of them loaded with ammunition, in the Neuenmarkt railyards 10 miles north of Bayreuth, and then sped on to other sidings where 28 more cars and two locomotives were destroyed.

Two separate forces of heavy RAF planes, meanwhile, pounded two freight yards in Leipzig and the German radio reported more formations of British bombers were over the Reich tonight.

Thalian Bouts Slated To Star 'Weaker' Sex

Boys will be boys, and girls will be wrestlers. Members of the "weaker sex" have taken to every field of sports: swimming, track, baseball, golf, and now have proven to be one of the biggest box office attractions of the nation in wrestling.

Promoter Bert Causey is happy indeed to be able to bring cards of this caliber to the local mat fans.

Pretty Ann Miller, was selected as the one to display her wares and try to unveil the "Mysterious Mis Red." "The Lady in Red" gets that moniker by wearing an outfit hiding her identity, which consists of a mask, a flowing red robe and full-length trunks. If the stocky little Ann Miller of Baltimore can pin the masked lady, two out of three falls, "Miss Red" will have to unmask and disclose her name to the local fans.

Sonny Meyers, the "Sinatra" of wrestling, will make his second appearance here as a wrestler, going against the rugged old war-horse of the mat, Texas Jack O'Brien.

This will be a case of science against brute strength, although O'Brien has Meyers out numbered in years and experience. Meyers has youth and speed; which evens up the match between the two. This match is scheduled for two out of three falls, 60 minutes time limit.

In cooperation with the Nation Wide Clothing for War Relief, the Promoter has made it possible for "Junior" to attend the match free, if he or she brings a bundle of wearing apparel. Of course, the adults are requested to bring along a bundle and pitch it in for good measure. Don't be bashful, this is Nation Wide Drive and everybody is doing it.

'STUB' RELEASED AT CALIFORNIA U.

SAN FRANCISCO, April 10.—(AP)—Release of Leonard B. (Stub) Allison, head football coach at the University of California for the last 10 years, was announced here tonight by the Executive Committee of the Associated Students.

No successor was announced. The committee voted at its weekly meeting Monday night not to renew Allison's contract, and to issue the following statement:

"It was made a matter of record that the committee expressed its fine regard for the long and valuable service that Mr. Allison has rendered the University.

"Temporary arrangements for a coaching staff to carry on the sport pending the release of permanent personnel from the armed forces are under consideration and will be announced soon."

Allison came to the University as assistant coach under William (Navy Bill) Ingram in 1931, replacing him as head coach in 1935. During his term as head coach, Allison's teams won 58 games and lost 42.

Last season the California Bears won 3, lost 6 and tied 1.

Yankees and Brooklyn To Play For Red Cross

BEAR MOUNTAIN, N. Y., April 10.—(AP)—Manager Leo Durocher of the Brooklyn Dodgers announced yesterday that either Curt Davis or Ben Chapman will draw the pitching assignment for the opening game of the season against the Phillies April 17. He said the two veterans would divide the hurling chores in the Red Cross game against the Yankees at Yankee Stadium Thursday and that Hal Gregg and Vic Lombardi, rookie southpaw, would work against the Giants at Ebbets Field Wednesday.

Batting was stressed during a three-hour drill today with the Dressens defeating the Corridens 1 to 3 in an intra-squad game. The Dodgers failed to score any earned runs in their last three games against Montreal and Army.

Al Zachary, rookie pitcher, notified the club that he had been reclassified 1-A and would stay in his war plant job.

RED CROSS BLANKET

The Golden Rod chapter, O. E. S. No. 142 of Wilmington, has presented to the local chapter of the American Red Cross a hand knitted blanket to be placed in a government hospital. It was announced. The Eastern Star is woven in the center, flanked by four Red Crosses.

'CAT-GOLDSBORO TILT POSTPONED DUE TO WEATHER

Game Called After Third Inning, 'Quakes Were Leading 4-0

After playing three innings in a drizzling rain, members of the Goldsboro and Wildcat baseball teams submitted to the weather man and postponed their scheduled game while the Earthquakes were leading 4-0.

The Wildcats started off the game in fine style, hitting the first three Goldsboro batters down in rapid succession, only to have them receive the same treatment from the 'Quakes in the latter half of the frame.

The Wayne County lads found the range in the second canto, parlaying three hits and two Hanoverian errors into three runs. Jello Hallow led off with a single, Ellis sacrificed, and Price juggled Wilson's easy out, allowing Hallow to reach first safely. David Stafford doubled to right field, scoring Wilson and Hallow. Dail popped up, and Donald Malpass, Goldsboro hurler, doubled to left field, scoring Stafford.

Pitcher Malpass continued to hold the 'Cats in check, sitting down Smith, Sharpe and Fennell in the second.

The fourth Goldsboro run came in the third when Davis' punt was thrown over the first baseman's head by Vic James, allowing Davis to advance to second. Davis scored on two passed balls.

The Wildcats muted their lone chance to score in the third when they collected two hits. Duncan Futrelle led off with a single, but was thrown out attempting to steal second. Tuttle walked, and James followed with a sharp Texas Leaguer, advancing Tuttle to second. Price fanned and Tuttle was thrown out attempting to steal third.

The Hanoverian horseholders will still be seeking its first victory of the season when the locals journey to Elizabethtown Friday to encounter the Elizabethtown High nine.

Newhouser Gets 7-2 Win Over Pale Hose

TERRE HAUTE, Ind., April 10.—(AP)—Hal Newhouser held the Chicago White Sox to eight hits today as the Detroit Tigers won the fifth, and rubber game of their exhibition series, 7 to 2, but the loss of the game was only half of the Pale Hose's troubles.

Manager Jimmy Dykes announced that the veteran Walter Moses, outfielder, will be inducted into the Army at Chicago Saturday. Moses had been counted on to hold down right field this year; previously classified 4-F because of an old baseball injury, he recently had been accepted for limited service.

The Tigers climbed on Earl Caldwell and Clay Toughtone for their seven runs in three innings. Rookie Frank Papiuh subdued them in the last two innings.

Red Sox Wallop Giants 14-3 At Polo Grounds

NEW YORK, April 10.—(AP)—Getting away to a five-run lead in the first inning, the Boston Red Sox pounded three New York Giant pitchers for 19 hits and a 14-3 triumph as some 1,200 fans turned out for the first game of the season at the Polo Grounds today.

The Sox collected 10 of their runs in the first three innings off Ray Harrell, while Joe Bowman checked the Giants until the fourth when Steve Filpowitz connected with a homer. Ernie Lombardi hit another homer for the Giants in the fifth off Otis Clark. George Metrovich homered for the Sox in the second.
