CADIZ, Spain, April 10 -(P)- A great part of the port section of Cadiz was destroyed today and an unknown number of persons were burned to death by a wind-fanned fire which began in a warehouse just before midnight. Thousands of tons of flour, cork,

coffee and other goods were destroyed. Rescue workers said a number

of persons working the warehouses were trapped. Docked passenger and freight vessels and the Spanish cruiser

Canarias were moved into the harbor. The fire was brought under control.
