B.-L. EXECUTIVES NAMED TO GROUPS

Three Wilmington Building and Loan executives have been appointed to national committee repointed sponsibilities in the United States Savings and Loan League, according to word received here yesterday from W. M. Brock, Dayton, Ohio, president of the league. They are Frederick Willetts of

Malleth, were arrested by police Co-Operative Building and Loan Association, Advisory Comat 19 South Eleventh street. mittee on State Legislation; Wilam M. Hill of the Peoples Build fault of bonds. ing and Loan Association, Commitleg and Loan Association, Committee on Building Practices; and W. A. Fonvielle of the Carolina Build. A. Fonvielle of the Carolina Building Association. ing and Loan Association, Comnittee on Reserve Credits and

Banking Relations. Each of these specialized groups operates within the framework o the 53-year old nation-wide organi- month, besides those which were zation of the business and makes trees cut within the city last its efforts and activities available month, besides those which were for the benefit of the 3,500 member felled in widening of Chestnut Institutions of the league through- street between Second and Fifth

out the country. The committee work in the at the request of property owners. league this year will be especially City Manager A. C. Nichols disemphasized because of the cancellation of the major larger meetings of the business in compliance with the ODT request. All of the regular with the widening of Chestnut spring meetings of the feague have street, 13 were oaks. All were conspring meetings of the least of the been called off in view of the sidered decayed and dangerous, transportation and crowded hotel

The daily weather map of the United States was first published City received several other requests from property. by the government in 1871.

Before the war, the United States imported more than 2,000,-000 tons of paper pulp each year.

FELLING OF TREES

An analysis of the report on

streets, showed that 23 were cut

It was pointed out that the 33

trees cut, which had no connection

or otherwise felled because of

"good and valid reasons," Mr. Ni-

or remove trees, but their reasons

were not considered valid enough

b ythe Park department to carry

Of the number of trees cut, acording to the analysis by the City

Manager, eight of the 33 trees

felled were removed because they

were decayd and dangerous; two

Included in the report were

hree populars, two maples, which

were cut for one property owner

because they hampered the con-

struction of a sidewalk, and five

sycamores, two of which were

cut at the request of property
