Tired Kidneys Often Bring **Sleepless Nights**

Doctors say your kidneys contain 15 miles of tiny tubes of filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or scanty 10 saages with smarting and 10 ming sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

When disorder of kidney function purmits poisonous matter to remain in your blood, it may also cause nagging backathe rheumatic pains, leg pains, lose of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

and dizziness.

Don't wait! Ask your druggist for Doan's
Pills. used successfully by millions for over 40
years. They give happy relief and will help
the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
