**ALLIED JUNCTION AFFECTS MARKETS**

NEW YORK, April 27.—(AP)—Investors returned to the buying side of today's stock market and gave a substantial lift to selected rails, liquors, aviation and assorted industrial.

Gains of 1 to 3 points were widely distributed after a moderately active opening. Cashing a profits subsequently intervened and top marks were reduced in the majority of cases at the close. Deals slowed at intervals but picked up in the final hour and transfers totalled 1,360,000 shares compared with 1,370,000 Thursday.

Recovery inspiration was found partly in the revival of post-war prosperity psychology. Meeting of American and Russian armies in the heart of Germany, to observers, spelled the quick doom of the Nazis and the return of home industry to civilian production.

Disensions at the United Nations conference brought a tinge of bearishness. Helpful was the sale of a stock exchange seat for \$60,000, up \$10,000.

The Associated Press 60-stock average was up .3 of a point at 64.7, with the rail and utility composites making new 8-year peaks. Of 910 issues registering, 495 were up, 214 down and 201 unchanged.

Conspicuous on the upside were Gulf Mobile and Ohio common and preferred, Illinois Central, Union Pacific, Northern Pacific, Schenley, Distillers Corp., Stewart Warner, Lockheed, Douglas Aircraft, Transcontinental and Western Air, United Air Lines, Northwest Airlines, Dow Chemical, Chrysler, Bethlehem, Consolidated Edison, Sears Roebuck and Owens-Illinois.

General Motors lost 1-8 as the company's first quarter net was under a year ago. Declines were down for Johns-Manville, U. S. Gypsum, Goodyear and Phelps Dodge.

Secondary railway bonds achieved further popularity. At Chicago wheat was up 1-8 to off 3-4 of a cent a bushel. Cotton was 5 to 20 cents a bale higher.

Ahead in the curb were E. W. Bliss, Raytheon, American Writing Paper and Creole Petroleum. Turnover here was 320,000 shares versus 390,000 yesterday.

**FARMS IN AREA ARE COMMENDED**

North Carolina's Southern Coastal district, which includes New Hanover county, had 28,170 acres in cultivation of truck crops other than potatoes in 1943, comprising the most favorable truck farming district in the state, according to the Department of Agriculture's latest farm census report.

For crop reporting purposes, New Hanover is listed in the Southern Coastal district that includes the 12 other counties: Cumberland, Duplin, Harnett, Hoke, Onslow, Pender, Robeson, Sampson, and Scotland.

New Hanover county, as small as it is, ranks sixth in the state in acres of truck land under cultivation. Truck crops grown in great abundance in it include lettuce, snap beans, cucumbers, radishes, beets, turnips, carrots, broccoli, squash, and peppers.

In addition to ranking first in the state in the number of acres used for commercial truck crops other than potatoes, the Southern Coastal district also leads the state in acres of sweet potatoes planted, with 19,695. The district likewise had more acres planted in corn and cotton than any other.

These facts and figures represent some of the data being gathered by the City Planning board in connection with its industrial survey, that is being carried on by George W. Simons, Jr.

J. Fred Rippey, Jr., secretary to the Planning board, pointed to these figures as giving graphic evidence of the importance of agriculture to Wilmington. "Since Wilmington is the largest city in the Southern Coastal district," he said, "it is in a position to serve much of the farming needs of the district, both as a distribution center and as a retail shopping center."

**First Death Reported In Nazi Prison Camp**

The first death among 531 Germans interned at the Wilmington prison camp was that of Ernest Bautz, 25, of Trier, Germany, at 11 a. m. yesterday at Bluenthal Army Air base hospital.

Lieut. R. H. Hazel, commanding officer of the camp, said Bautz died of blood poisoning, contracted after the removal of a splinter in his arm in a fall at Heide Trask's farm, after he attempted to jump from a truck.

The body of the German, who has a wife and child living in Trier, will be shipped to Durham for burial in the German cemetery at Camp Butler.

Indiana sheep shearers clip about 400,000 sheep annually.

**California Merchants To Honor Southern Area**

The Wilmington Chamber of Commerce has been advised by Mrs. Leland Dye, secretary-manager of the Inglewood, California, Chamber of Commerce that their organization is honoring the southern states in a special program given in the U. S. O. building there May 1. A basket supper will be served and will be followed by an evening of fun and entertainment.

The Wilmington Chamber has sent folders describing this area for distribution at the meeting, and a letter to be read during the program.

**RATION ROUNDUP**

BY THE ASSOCIATED PRESS

Meats, fat, etc.—Book four red stamps T5 through X5 good through April 28. Stamps T5 and Z5 and A2 through D2 good through June 2; E2 through J2 good through June 30; K2 through P2 good through July 31.
