### PRIORITY SYSTEM HIT BY OFFICIAL

Despite legislation authorizing the Federal Housing Administration to increase the materials available for construction of homes for veterans, a Wilmington building and loan official predicted yesterday that construction of commercial buildings would be slowed down without a corresponding increase in home building.

The jury had been charged in the case of Richard Anthony Benton, young hite man, who entered a plea of not guilty yesterday of charges of hit and run and driving an automobile while under the influence of intoxicants.

Gene Clark was found not guilty of operating an automobile while intoxicated.

The regulation makes possible also the conversion of existing structures where it is shown increased dwelling units will result and it also covers construction of dormitories or group housing for educational institutions for the benefit of veterans.
