#### TOP O' THE MORNING

For years I've prayed, and yet I see no change.

The mountain stands exactly where it stood.

I will pray on. Though distant it may seem. The answer may be almost at my door,

Or just around the corner on its way. But whether near or far, yea, I shall pray-I will pray on.

"To talk of holding prices while the payroll is pushed is to attempt the impossible. "This is the sage remark of Dr. Leo Wolman, professor of economics at Columbia, during an address before the American Bankers Association's trust division. The meeting was held how you can read that dirty smear sheet, before the current reports of probable nothing but lies about President Roosevelt and changes in the administration's bureaucratic family, but it is to be hoped hate articles by that louse, Pegler. (Copyright, 1946, by King Features Syndicate) Driving home from work the other evening, George Spelvin, American, picked up a thumber who noticed Mr. Spelvin's paper on he seat between them and said: 'I don't see his wonderful help-mate and always trying to smear labor and every day they publish those man stoops so low-down that he can't let our great President rest in his grave after he gave his life for the common man, why does he wait until he is dead and can't defend himself and any decent man and not even a

"What lies about Roosevelt?" Mr. Spelvin asked.

"Nothing but low-down, cowardly smears about how he helped his boy Elliott get out of debt like any decent father would and about how his grandmother left them a miland our gracious First Lady she profiteered by teaching us on the radio how to be tolerant and always smearing the working man," the thumber said.

"Were those lies about how Roosevelt got Jesse Jones to square Elliott's debts and then he got back the collateral by telling the suckers it wasn't worth a dam and then the old square the alimony rap and it turns out to be worth \$250,000," Spelvin asked.

Why didn't he do it when Roosevelt was alive?" the guy asked. "Nobody but a rat would smear a dead man when they can't answer back."

"Maybe he didn't know the facts until he Spelvin argued.
