General Motors Walkout Hardship Cases Increase

BY F. GLENN ENGLE DETROIT, March 10 .- (A)-Hard- striking CIO United Auto Workers ship cases stemming from the 109- concur, that three principal factors day-old General Motors strike are make the longest and costliest dismounting daily, but from the stand pute in automobile industry history point of relief and breadlines the less . a taxpayers' problem than situation is much less acute than shorter strikes back in 1937-39: that occasioned by labor strife in 1. The strikers themselves, after

the late 1930's. Although admitting the first 100 a considerable amount of overtime days were the easiest, Welfare de- pay, had laid aside war bonds and partment officials here in the big other reserves before the strike corporation's backyard proudly was called Nov. 21. point out that less than seven per 2. Numerous private sources, in nancial aid.

They believe, and leaders of the

four years of war production with addition to the International Union, have contributed to strike welfare

funds. These include the National

Citizens committee for the relief of GM Strikers, with several affilifilling station and grill. Also five-room modern home on place, near town on busy highway, by ex-service man and wife. Write B-32, care Star-News.

3. Strike welfare funds of the various GM local unions were well built up under the union's wartime WANTED TO RENT-PLACE FOR BUSI- no - strike pledge. UAW leaders claim that pledge was adhered to more closely in the 80-odd GM plants than in factories of the other "Big Three" producers-Ford and

> dues dollar is turned over to such The International Union's contributions to date total \$578,993-an average of little more than \$3 per striker. The money is paid out to ocals on a per capita basis, but then is distributed on the basis of

individual need, a union spokesman explained. CAR MANUFACTURERS LONDON, March 10 .- (AP)-The motoring correspondent for the Lodon Sunday Times said Sunday negotiations were proceeding by "one of the largest American motor car manufacturers" for the purchase of an important British car production combine and its factor-

ies. The correspondent gave no
