RAIL BONDS TAKE LEAD IN ADVANCE

Favorite Issues Throw Off Recent Hesitancy On Upswing Market

NEW YORK, May 21-(AP)- Rail issues threw off recent hesitancy and decisively advanced over a wide front in the bond market Tuesday. Some of the more popular carriers moved ahead around 2 points or more in expanded trading. A sustaining factor was the upward shift among rail shares WASH TUBBSin the Stock Exchange.

Big Turnover Turnover of \$4,234,000 was the largest in ten days and compared with \$3,450,000 Monday.

Among gainers were Baltimore & Ohio stamped convertibles 71 3-4, Central of Georgia "C" 5s at Chicago & Alton 3s at 60, Chicago & Eastern Illinois incomes at 68 1-2, Rock Island "A" 4 1-2s at 67 1-4, Erie 4 1-2s at 94, Missouri Pacific general 4s at 45

Striking against the trend were bonds of Wisconsin Central and Illinois Central.

U. S. Governments lost as much as 8-32 of a point in the over-thecounter market. Dealers reported the market appeared to be reaching GASOLINE ALLEYfrom the quick runup which started last week when the Treasury announced relaxation of rules governing commercial bank trading in certain restricted federal issues. 1.26½ certain restricted federal issues.
..... 1.26½ Latin American loan posted gains running to more than a point. running to more than a point.
