What's Cook-in

By Roy Cook

Official sources say the largest crowd of the season attended Wednesday night's double header at Legion Field. . . Not being a very good judge of crowd's, but according to a weak limb, I would say that well over 2,000 fans jammed the stadium to see the Buccaneers slap the Clinton Blues.

Willie Duke, Tobacco State League's leading hitter, was completely baffled by the sweeping curves of Nate and Johnny in the twin-bill. . . Seven times "the Duke" went to bat and seven times he failed to connect.

Nate Andrews, looked like Nate Andrews last night as he really batted the steam in handing the Blues their first defeat. . . Big Duke had his curves breaking wonderfully and the fast ball was "on the beam."

Johnny Wilbourne, who has won four and lost one, to lead the local hurlers, turned in his usual good job. . . The lone defeat suffered by the towering Wilbourne was a heart-breaking 2 to 1 loss. . . In this game the Pirates failed to hit behind Johnny. . . Twice in the final two innings the tying runs were on third base with none out, but the batters failed to connect and the tying markers died on the paths.

Minor League President W. G. Bramham said that in a time when baseball is being attacked as an "unwholesome combine," Commissioner A. B. Chandler's reported plan to centralize the game's administration might be the "final step" in

creating a dictatorship of the diamond.

Robert Earey, red headed hurler of the Hickory club of the Class D North State League has an unimpressive record of having won four and lost six this season. However, he is one of the circuits most respected hurlers. . . He has pitched a no-hit game, losing by his own error, two one-hitters and one two-hit contest and Tuesday night he stopped the Thomasville club with one hit, fanning 13 batters. . . P. S. (he won this game 6-0.)

Wilmington may soon have a private flying club. . . The following idea was passed to me a few days ago. . . A group of eight or ten pilots will form the Organization and the members pool their cash to purchase a light plane for the exclusive use of the club members. A schedule will be worked out whereby each member will have a certain time for his flying.

Jimmy Moore, manager of the City Optical softball team, has completely rebuilt his team and started off well as the Eye-men took the Pirates Wednesday night at Robert Strange Park. . . The Optics have scheduled a double header with the High Point Weavers at Robert Strange park Saturday night.

St. Louis Drops To One And One Half Games Behind Dodgers

ST. LOUIS, July 25.—(AP)—The St. Louis Cardinals fell one-and-one-half games behind the National League front-running Brooklyn Dodgers Thursday by splitting a twin-bill with the New York Giants while the Dodgers defeated the Chicago Cubs.

After Howie Pollet had pitched the Red Birds to a 2-1 win in the opener, rookie lefthander Monte Kennedy tossed the Giants to a three-hit 6-1 victory in the night-cap.

Local Legion Juniors Beat Winter Park Bears, 15-11

Officials To Meet This Morning To Arrange Playing Dates For Eastern Division Championship

The Red Springs American Legion baseball team defeated the Durham Juniors, 9 to 6, Thursday afternoon at Sanford in the third and deciding game of the series to determine which team will play Wilmington for the Eastern Division Championship. The Red Springs club won the first game, lost the second and came back Thursday to win the right to play Wilmington.

E. H. Alexander, commander of the Red Springs American Legion Post, in a telephone conversation with the Star late last night said he had been unable to contact the proper representatives of the Wilmington Legion and said the arrangements would be made Friday morning for the Wilmington-Red Springs play offs. He was trying to arrange a meeting of the officials at Whiteville Friday morning to get the matter ironed out.

In a wild game, featured by errors on the parts of both team and an unusual quantity of base on balls, the Wilmington American Legion Juniors won out finally over the Winter Park Bears, 15 to 11, at Legion Stadium last night.

The Legion Juniors committed seven errors, and Winter Park was charged with four miscues. J. E. Wallace and Emory Hewley, hurled for Coach Leon Brogden's club, walking a total of eight batters between them. Winter Park's three pitchers gave up an amazing total of 17 bases on balls, many of which accounted for Wilmington runs.

Wilmington got eight hits against the Bears' 14, but most of the Juniors' bingles came with men on the base paths. Ed Lamb led the losers' hitters with three bingles for four trips, to the plate. Paul Horton's three for five mark topped the Legion's sluggers for the night.

Coach Leon Brogden, of the Wilmington American Legion Junior Baseball team, when told last night that Red Springs had defeated Durham, said he could not definitely say when the series between the Red Springs and Wilmington clubs would begin.

"We will get the complete details tomorrow (Friday) on the schedules and place the first game will be played," the coach said. Brogden remarked that he thought the first game of the three-game series would be played on Monday afternoon or night. However, the final arrangements will be completed until sometime Friday.

When asked last week which team he had rather face in the playoffs of the Eastern Division championship, Brogden remarked that it did not make much difference. "Both Red Springs and Durham are reported to have excellent clubs," he said and would not disclose his choice.

Joe Dobson Shelled From Mound In Seventh; Ted Williams Goes Hitless

CHICAGO, July 25.—(AP)—The Chicago White Sox nosed out the Boston Red Sox 3 to 1, Thursday with Edger Smith winning his sixth victory of the season. Although Earl Caldwell had to come to his rescue in the ninth inning.

Joe Dobson was knocked out after the seventh inning for the tenth time he has been removed from a game this season. Ted Williams was held hitless in five trips to the plate.

It was the sixth victory for the White Sox over Boston in nine games at Comiskey Park this season, although they have lost eight in Boston.

The White Sox reached Dobson for eight hits in the seventh inning he worked. Smith drove in Chicago's first run with a single in the second while Luke Appling and Bob Kennedy drove in the other two runs.

With the base loaded, Wilmington's leading hitter, Hargrove Davis took his stand at the bat and connected with a fast ball to send it high over the right center field fence to score four more runs. Roy Lamb grounded out and Poklemba in his second time at bat in this inning struck out.

Jim Staton and Andy Poklemba with two for three and two for four paced the Pirate batters.

Hargrove Davis Slams Out Home Run With Bases Full

Pirates Stage Seven Run Uprising In Seventh Inning To Win Clean Sweep Of Series With Blues; Brooks Hurls

CLINTON, July 25. — The Wilmington Pirates continued their winning streak here tonight as they defeated the Clinton Blues, 8 to 3 to make a clean sweep of the series.

Hargrove Davis blasted out a home run over the right center field barrier in the seventh inning with the bases loaded. In this inning the Buccaneers scored seven runs to put the game on ice.

George Brooks, hurling for the Port City team gave up seven hits, struck out eight and gave up no free passes to first to earn his eighth victory for the Pirates.

Clinton scored one in the opening frame and added two more in the third when Willie Duke pisted one over the barrier with Larriue on the paths. This was the end of the scoring for the Blues.

The Pirates scored one in the fourth inning and came up in the first of the seventh stanza trailing 3 to 1.

In the Seventh Andy Poklemba singled, DiOrio struck out, Norman Olson singled, Pitcher Brooks lifted a hit to left to fill the sacks, and manager Willie Duke replaced Hash with Van Lingle Mungo. Andy Cullen, who had struck out three times before greeted the ex-major leaguer with a sharp single that scored Poklemba. The bases still full Mungo walked Jim Staton to force in a run. Paul Smith waited out the big Mungo and also was passed to force in another tally.

OPTIC'S SCHEDULE HIGH POINT CLUB

Double Header To Be Played at Robert Strange Saturday Night

The powerful High Point Weavers have challenged the Senior Class A league's City Optical softball team for a doubleheader at Robert Strange park, Saturday night, starting at 7 o'clock, recreation department officials announced yesterday.

A. B. Stoker, player-manager of the Weavers, contacted Bert Hawley, who is athletic director of the local league, earlier this week for the twinbill, and City Optical accepted their first inter-sectional contest this season.

The Eyemen, champions of last year's softball circuit, finished the first half race in fourth spot in the standings, but team manager Jimmy Moore has acquired new and promising prospects to fill the club's weak spot, and expects to finish at the top of the loop when the second battle ends.

Billy Peiper, Harlan McKeithan, S. McKeithan, Frank McCall, Hugh Griffith, and Bob McPhatter are big reasons for Moore's optimism. These will also prove City Optical's strength against High Point.

The High Point list of players received here include MacMahon, James C. Carden, Frith, D. Carden, Miller, Newby, Johnson, Brewer, and Stoker.
