

Cowie's FISH LINES

Old-timers yesterday claimed the heavy rain Friday had changed the course of the nor'easter which has ruined fishing in the South Eastern North Carolina's Beach association's Fish Rodeo during the week.

In the same instance there were many fine catches reported during the first seven days of the 30-day event which ends Sept. 30.

Praying for good weather, party boat operators have been keeping their eyes peeled for signs of sail. Billy DeCover, skipper of the Jam claims three of the species were hooked by fishermen from the boat during the week but were lost due to "green fishermen."

More of the "fisherman's delight" have been sighted within 10 miles off Wrightsville Beach during the last 10 days.

Now that good weather has arrived the "sail had better watch out."

It is good pompano weather these days with many fine catches having been reported from Fort Fisher and the Atlantic View Piers. Essentially, both quays will remain open at least until Christmas and possibly throughout the winter.

Winners in the first week of the Rodeo have been announced along with the August winners of the New Hanover Fishing Club. Prizes will be awarded to the winners of the Rodeo sometime during the month. They are on hand but have not been displayed as yet. Delay in displaying the fine pieces of equipment and trophies was due to manufacturer's delay in shipping the cups, plaques and other trophies which are to be awarded along with the cash prizes which range from \$500 down to \$10.

Pictured in the column is a four and three-fourths pound trout entered by T. N. Costello (left). With him is Braxton Prevatte, official in charge of the Wilmington Sport Center weighing station. The catch was not large enough to win a weekly prize.

For those of you who are interested—Each Monday, Wednesday, Thursday and Friday nights at 6:21 o'clock, Reed's Jewelry store is presenting a Fish Rodeo broadcast over WMFD. This gesture by the Wilmington concern met with a goodly response by the Waltonites in the area last week. The broadcast issues tips on where to wish, who is catching them, how and why.

The rodeo weekly prizes were awarded to the following by Gilbert Pickard, T. L. Watkins and George Canady, judges.

Nice Catch Doctor

A 19 and one-quarter pound Barracuda, length 48 inches, was entered in the South Eastern North Carolina Beach association's Fish Rodeo yesterday afternoon by Dr. J. H. Sculford, chief resident at James Walker Memorial hospital.

The catch was made off Southport while Dr. Sculford was fishing from Capt. Hewland Watts' "Idle On."

Fishing with the doctor were Dr. Ivy Taylor, of Burgaw and Dr. George Johnson, of Wilmington. Dr. Taylor entered an eight pound and 14 ounce dolphin. The fish was 35 inches long.

The party also caught a nice string of blues, spanish mackerel and dolphin while trolling outside.

MACKMEN TROUNCE AMERICAN LEADERS

PHILADELPHIA, Sept. 7.—(AP)—Jesse Flores held the American League pennant bound Boston Red Sox to five hits today, one of them Ted Williams' 35th home run of the season in the ninth inning as the Philadelphia Athletics defeated Boston, 4 to 2 and handed Dave Ferriss his first defeat after 12 straight victories.

A home run by Oscar Grimes in the fifth — his first of the season with Flores on base gave the Mackmen their margin of victory.

DETROIT TIGERS SLAP WHITE SOX

Explosive 16 Hits While Running Win Streak To Four Games

DETROIT, Sept. 7.—(AP)—Explosive 16 hits, five of them two-baggers, the Detroit Tigers slapped the Chicago White Sox 10 to 4 today to run their current winning streak to four games.

Scoreless for three innings, chiefly because of sluggish base-running, the Tigers bunched five hits off Orval Grove in the fourth to score four times and stayed comfortably ahead thereafter.

Richard (Rock) Brinkley, letter fullback, then replaced DiTomo on the first team. Rock helped spark a 50-yard scoring drive in five plays. Brinkley broke off for 15, and then Nick Sacrinty tossed to Bruno for 10 and to John O'Quinn for 17. Brinkley in two plays plunged over for the score.

Standing out was the running of DiTomo, Nick Sacrinty, and Brinkley. Nick also shone with his passing.

Praise was given by Coach D. C. (Peashead) Walker to his first-string line of John O'Quinn and Bruno, ends; Sidney Martin and Dewey Hobbs, tackles; Bob Leonetti and Ed Royston, guards; and Boyd Allen, center.

Allen and O'Quinn are freshmen; Leonetti is a transfer student.
