DON'T BE DISCOURAGED! Simply wet it with Canute Water. A few applications will completely re-color it similar to its former natural shade. IN ONE DAY - IF YOU WISH. Canute Water is not a tint or rinse that washes off. Shampooing actually improves the rich, warm new color and leaves your hair fresh, clean and natural to the touch. You may even curl it or get a permanent. Then primp just once a month and KEEP it young-looking.

CANUTE WATER • Pure, colorless and crystal-clear. • 30 years without injur to a single user. • REALLY SAFEI Skin test NOT needed

POPULAR? We sell more Canute Water than all othe hair colorings combined !
