

BOND MART DROPS IN SELLING WAVE

Many Favorite Liens Lose From 1 To 3 Points During Session

NEW YORK, Nov. 6 — (AP) — The bond market slanted sharply lower Wednesday along with stocks and commodities in the wake of a nationwide Republican sweep at the polls.

Low to medium priced rails took the brunt of the selling and gave the widest ground, many ending up with 1 to more than 3 points. Better rated corporation securities and U. S. Governments acted with more stability, although here too declines were in the majority.

On the losing end were such trading favorites as Baltimore and Ohio stamped convertibles of 1960, Boston and Maine 4s, St. Paul income 4 1/2s, North Western 4 1/2s, Rock Island 4 1/2s, Chicago and Alton 3s, Big Four 4 1/2s, Illinois Cen-

tral 4 1/2s, International Great Northern first 6s, Lehigh Valley 4s, Missouri Pacific 5s, New Haven 4s and Norfolk Southern 5s.

Some Gainers
Scattered gainers included Pacific Gas 3s, Philadelphia Electric 2 1/2s, Southern Railway general 4s, Shell Union 2 1/2s, U. S. Rubber 2 1/2s and Boston and New York Airline 4s.

Trading in U. S. Governments on the Stock Exchange was confined to Treasury 2 1/2s of December 1967, off 4-32 at 102.23 and the 2s of June, 1952, off 21-32 at 102.26. There was more activity over the counter but trends were similar, although losses were not as great.

Foreign dollar bonds were mixed. Brazil 8s of 1941 dropped 5 points while the series one, 3 1/2s were up a point. Buenos Aires 4 1/2s and Chile 6s were among others ending up.

Sales of \$5,750,000 compared with \$5,852,000 last Monday.

GOAL ANNOUNCED FOR PAPER DRIVE

Proceeds From November 17 Event To Be Used For Equipment

A goal of 100,000 pounds of scrap paper for the November 17 drive in Wilmington was announced yesterday by N. J. Kelly, president of the Senior Fraternity, the organization sponsoring the campaign.

Plans for the forthcoming drive are nearing completion, Kelly reported following the semi-monthly supper meeting of the organization Tuesday night at the Brigade Club.

During the meeting the members heard Postmaster W. R. Doshier outline the proposed junior college for Wilmington.

Also announced was the selection of November 26 for the annual Ladies Night celebration by the group. The committee in charge of the program will be T. A. Rivens, R. M. Padrick, Jr., and C. Davis. The entertainment will be held at the Brigade club, Kelly reported.

During the meeting LeRoy Taylor was accepted into membership in the fraternity.

Proceeds from the November 17 paper drive will be used to purchase additional equipment for the Brigade Boys' club.

With shorter daylight hours, members of the fraternity stressed the necessity for the public to place their donations of old newspapers and magazines at the curb in front of their homes by 9 o'clock on the morning of the drive. The bundles will be collected by members of the fraternity.

FIRE PREVENTION WEEK WINS PRAISE FOR CHIEF CROOM

Fire Chief J. Ludie Croom yesterday received the commendation of the City council following the reading of his report on the successful observance of Fire Prevention Week in Wilmington.

The chief's report detailed the speedy manner in which the various schools of the city were evacuated during practice drills held in connection with the recent observance of Fire Prevention week.

The mayor and members of the council expressed surprise over the ability of the 1,900 students evacuating New Hanover High school in two minutes and ten seconds.

Chief Croom explained that these students were evacuated in an orderly manner from their respective class rooms.

The chief, in his letter to City Manager J. R. Benson, expressed his appreciation for the cooperation he and the fire department received during the observance.
