What's Cook-in

By Roy Cook

Hot Stove Gossip

Latest hot stove gossip in Tobacco State league circles find that one league resident, Brodie Smith of Smithfield, has sold his controlling interest in the club there. No announcement has been made as to who did the purchasing. Rumors also exist that Mickey Balla, last year's starter at Smithfield as playing manager, will return to lead the Leafs next season. Balla continued as a player after Alex Daniels, regular receiver, replaced him as skipper. Mickey performed better after resigning and finished the season hitting better than 300, also playing an inspired brand of ball field.

Pollock To Be Host

Prexy L. M. Pollock of Wilmington's Pirates will be host to club Prexy's and their officials Nov. 17 when the loop heads will discuss next season's by laws.

Warsaw May Enter

Sports enthusiasts at Warsaw have indicated they would like to secure a franchise for next season's play. The loop voted on letting two clubs in, thus making it an 8 club circuit. It is desired by club officials that Fayetteville leave the Coastal Plain and enter the Tobacco State with Roanoke Rapids or some other site taking the Cubs place in the C. P. The Chicago Cubs hold an option on the Cubs for another year and their say so will have more to do with the switch, even if it did mature. It has been said that the Cubs wish to make Fayetteville Class C or B since their attendance as a tail ender soared good enough for it last summer.

Lumberton Mentioned

Lumberton, with a ten thousand population, is an ideal location for an entry. Word there is that the city fathers have been thinking seriously of erecting lights next season, whether it be semi-pro or pro ball. Other desirable locations indicated they are also interested in securing a franchise.

Wilbourne Works At Dunn

Johnnie Wilbourne, star hurler for Wilmington Pirates last season, is now residing in Dunn and has a position with a leading department store there. Shamrock Denning, slugging Dunn-Erwin outfielder is also residing in Dunn and clerking in a store. Both will play semi-pro basketball this winter for the Dunn-Erwin Red Birds.

Umpires At Home

Umpire Pat Fragile, selected as Ump in Chief for next year, is in his home town of Beekeley, W. Va., operating a billiard hall and snack bar. Other umpire winter jobs find Baxter Moose coaching at Salemburg with Edward Military Inst. Arthur Scalli is coaching high school athletics in Ga. Bob Mann has gone to Panama to play the diamond sport there. J. W. Gill is at home in Zebulon conducting business interest. Jake Smith is High School coach at Dunn.

Andersons Trounce Moose Touch Football Club, 45-0

Maffitt Village Edges St. Mary's In Preliminary Game, 6 To 0

The unbeaten Andersons Sports Shop football team continued to rule the Touch League with an iron hand, taking the Moose apart, 45-0, yesterday at Robert Strange park.

Scoring touchdowns in the mauling were Gene Brown, Shorty Stevens, Rudy Smith, Jimmy West, and E. A. Thomas. West also converted the three good extra points.

Fans watching the contest were impressed by the skillful handling of the six-man formation by Smith, Andersons quarterback, and the sound blocking.

Lineups were as follows: Andersons Sports Shop—Jimmy West, left end; Pat Harrington, right end; Gene Brown, center; Shorty Stevens, fullback; Shortly, left half-

back; and Rudy Smith, quarterback.

For the Moose: Jackie Wilson, left end; Charles Watkins, right end; J. W. Brown, center; Tommy Eason, quarterback; Barnhill, left halfback; and Tex Knisler, fullback.

In a preliminary contest at 3 o'clock Maffitt Village's grammar school tackle team won a decisive 6-0 victory over St. Mary's.

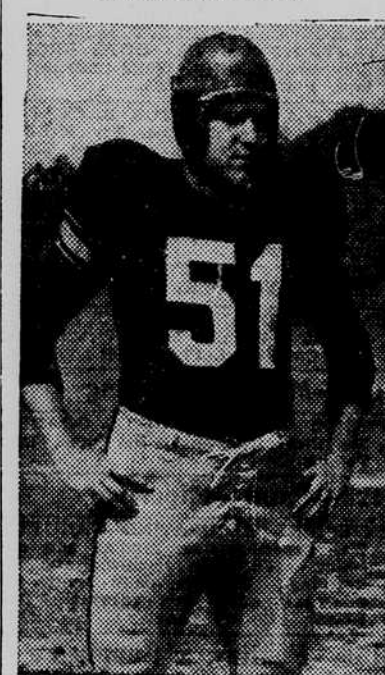

Marion Capps provided the deciding margin by scampering around left end for 42 yards and a touchdown. Capps' line plunge for the extra point was no good.

Outstanding for the losers were Edward Boado and Bobby Williams. These two youngsters spearheaded a St. Mary's attack, which was slowed up three times inside the Maffitt Village 20 yard line.

Bert Hawley, recreation director, announced following the double-header that Spofford Mills will play Enterprise in today's touch contest at 4 o'clock.

Cape Fear Country Club Postpones Tournament; 'Cats May Be Minus Two Regulars Friday Night

Deacon End

BERNIE CAPPS
Bernie Capps, of Chadbourn, is one of the leading ends on the Wake Forest football team which meets Duke at Durham Saturday. Capps, a senior, has been an outstanding performer on both offense and defense for Wake Forest this season.

BOEHM ANNOUNCES SCHEDULE CHANGE

Tournament Postponed Because Work On Greens In Progress

Kirk Boehm, club professional at the Cape Fear Country Club, announced yesterday that the annual Cape Fear Country Club Fall Golf Tournament has been postponed one week.

The tournament was originally scheduled to start this morning. The tourney was set back one week because the greens on the course are being worked on and the work is not yet completed.

The four flight tournament is expected to bring together many of Wilmington's foremost amateur golfers. The new playing dates will be announced following a meeting of the greens committee this week, Boehm said yesterday.

The entry list is expected to reach 80 local golfers. Following a ten-day qualifying period, the entrants will be paired for the first round of tournament competition. The Finals will be held during early December.

Firemen Stage Banquet Meet; Another Planned For Tonight

Forty members of the Wilmington Fire Department day shift gathered at the Wrightsville Marina last night for a delicious oyster roast.

The party was sponsored by the Fire Department Athletic Fund, of which all firemen are members.

Last night's party was the first of two. The second, for members of the night shift will be tonight at the same time and place.

The guests of the Athletic department were: Chief J. Ludie Croom, Councilmen James E. L. Wade, W. E. Yopp,

Robert LeGwin and Garland Currin. City Manager J. R. Benson, Representative R. M. Kermon, Senator Alton A. Lennon and Gilbert Morton. Roy Cook, Jack Cowie and Gil Smith.

Clyde Jordan, president of the Athletic department, was unable to attend last night's meeting, but will be on hand tonight.

The committee in charge of arrangements for the banquets were: H. C. Knowles, Bill Glisson, Charlie Herring, Richard Wolfe, Charles M. Rivenbark and Elmore Seec.

CAROLINA HOLDS SPIRITED DRILLS

Coach Snavely Emphasizes Punt And Pass Protection; Justice Ready

CHAPEL HILL, Nov. 6.—(AP)—Taking advantage of bracing weather, which followed an uncommonly November hot spell, Carolina's Tar Heels Engaged in a long, spirited workout Wednesday afternoon for the game with the high scoring William and Mary Indians at Richmond Saturday.

Considerable time was spent on punt and pass protection. Three varsity teams and the Jayvees then alternated in two separate semi-scrimmages. There was concentration on punt and kickoff returns, with Johnny Clements and Jim Camp, wingbacks, and Billy Britt and Billy Myers, tailbacks, among those making long deliveries.

Charlie Justice was in heavy armor for the first time this week and his long gallops and high spirits indicate that he will be ready for the Braves. Center Joe Swicegood was out of the infirmary with x-ray pictures showing that his leg was only badly bruised with no fracture. He will be unable to play this week but should be ready for Wake Forest.

Outstanding for the losers were Edward Boado and Bobby Williams. These two youngsters spearheaded a St. Mary's attack, which was slowed up three times inside the Maffitt Village 20 yard line.

Bert Hawley, recreation director, announced following the double-header that Spofford Mills will play Enterprise in today's touch contest at 4 o'clock.

BLUE DEVILS SET FOR DEACON TILT

Duke Works Carefully On Passing Attack; Players In Peak Shape

DURHAM, Nov. 6.—(AP)—Duke continued preparations Wednesday for their Southern Conference battle with Wake Forest on Saturday with another workout including defense against Demon Deacon plays and a long session on offense.

The Blue Devils worked hard on passing, a phase of their attack that has been lagging in recent games. Several long completions were made against the Junior Varsity defenders, and the aerial game appeared somewhat improved.

For once, all members of the squad who have played this season took part in the drill, and barring injuries later in the week Duke should be at top strength for Saturday's important game.

John Montgomery, freshman quarterback from Miami, worked out in full with the varsity men, apparently recovered from a side injury which kept him out of all but a few minutes of the Georgia Tech game.

Several important business matters will be discussed at the session, final meeting of the club heads before they gather at the Minor League convention the first week in December at Los Angeles, Calif.

The Greensboro club, pennant winner the past summer, will be host at a dinner Saturday night, Nov. 16, while the regular fall business meeting of the directors will begin at 10 o'clock Sunday morning Nov. 17.

CYCLE SAFETY

HELP PREVENT BICYCLE ACCIDENTS—The National Safety Council reports that over seventy-five percent of bicycle accidents are caused by cyclists ignoring traffic rules—When riding your bicycle always give the proper signal when making a turn or stopping.

DUTCH HARRISON LEADS AT HALF

Mike Turnesa Fires Second In North-South Open Golf Tournament

PINEHURST, Nov. 6.—(AP)—Dutch Harrison of Little Rock, Ark., stroked his way into the lead at the halfway mark of the 45th annual North and South open golf tournament Wednesday with a four-under par 68 for a total of 140 and a one-stroke margin over the veteran Mike Turnesa of White Plains, N. Y.

Turnesa fired a 70 over the country club's 6,879-yard number two layout Wednesday to take second place by a stroke over Ben Hogan of Hershey, Pa., the pre-meet favorite and the year's leading money-winner. Hogan had 71 yesterday and duplicated that score Wednesday.

CAROLINA CIRCUIT DIRECTORS TO MEET

DRAPER, Nov. 6.—(AP)—Club directors of the Carolina baseball league will meet in Greensboro on Nov. 16-17 at the O. Henry Hotel, it was announced here Wednesday by Dr. T. S. Wilson, president of the Class C circuit.

Several important business matters will be discussed at the session, final meeting of the club heads before they gather at the Minor League convention the first week in December at Los Angeles, Calif.

The Greensboro club, pennant winner the past summer, will be host at a dinner Saturday night, Nov. 16, while the regular fall business meeting of the directors will begin at 10 o'clock Sunday morning Nov. 17.

ARMY'S SKIPPER LACKS RESERVES

Blaik Points Out 1943 Cadet Loss As Indication Of Irish Power

WEST POINT, N. Y., Nov. 6.—(AP)—As Army's football team went through another strenuous practice session Wednesday for Saturday's struggle with Notre Dame, Coach Earl Blaik replayed the 1943 Army-Notre Dame tussle as a sort of strategic counter-attack to the Irish discussions of the humiliation they suffered in the past two years.

Blaik, as usual, insisted that Notre Dame has not only plenty of personnel but a tremendous incentive to win the game. Army hasn't either, in his analysis of the situation, but the red-tatched Army coach is doing his best to discount the last two tussles and bring up what happened the last time a really good Notre Dame team faced Army.

The Irish won, 26-0, then and Blaik insists that this year's Notre Dame team is far superior to the 1943 outfit. Notre Dame, in fact hasn't been extended all year and has concentrated ever since last spring on one thing—beating Army.

By contrast, the thin Cadet squad has been forced to go out all at least twice this season, against Oklahoma and Michigan, and the coaches have had to go all out for virtually every game. Even when Army figured to win handily there were immediate problems that kept the coaching staff from looking far ahead to the Nov. 9 contest.

Actual preparations for Notre Dame didn't begin until last week, Blaik said Wednesday and then it was more from the coaching standpoint than real work by the players.

The Tabernacle Baptist basketball team will take to the hardwood Monday afternoon in the YMCA to begin practice for their 1946-47 basketball season, Robert Shipp, Tabernacle coach, announced yesterday.

The Baptists, who ran away with the championship title last year, will have a hard task defending their crown this season as the Church league presents 10 of the strongest quints to ever enter the league.

Coach Shipp is losing two of his main cogs in Robert Miller, captain of the 45-46 champs, and Levy Heath, star guard, who are going out for the Wildcat varsity. Both of the boys compiled the astounding total of 70 points between them last year when Tabernacle smothered Hewes Building of Maffitt Village, 117-10.

Shipp said first string positions are wide open for contestants, who wish to play and attend the Tabernacle Baptist church regularly.

LUJACK INJURED: IRISH HORRIFIED

Notre Dame Quarterback Sprains Ankle In Final Scrimmage

SOUTH BEND, Ind., Nov. 6.—(AP)—A shocked horror spread over Notre Dame's do-or-die football squad late Wednesday when Johnny Lujack, the sparkplug quarterback and the man most necessary to the Irish hopes for revenge against the Army Saturday, suffered a sprained right ankle.

It was uncertain just what effect this heart-breaker might have on the possible chances of the boy from Pennsylvania coal-fields being able to do a full-sized job in Saturday's national championship clash.

Not even the Notre Dame school physician, Dr. Joseph Canton, was willing to guess.

You saw the realization hit the Irish Wednesday as the sturdy 21-year-old, 180-pound Lujack lay there on the cleat-cut turf for a moment after colliding with right end Frank Kosikowski, a 205-pounder from Milwaukee.

He had been working on defense against one of Army's plays in the Irish's last full dress rehearsal before leaving for New York Thursday. There was a look almost of horror on some of the players' faces as he got up and limped over to the dressing rooms for the ministrations of trainer Hughie Burns.

Earlier, Leahy had told about the special Irish defenses he had designed to slow down Army's "you-know-who," and then contemplated sadly the news that Simmons was hurt and would be left behind when the Irish squad leaves at 4 p. m. Thursday.

Linemen nominated this week: Ends—David Schmidt, Kansas, Ted Cook, Alabama. Joe Tereshinski, Georgia. Wendell Williams, Rice. Ray Poole, Mississippi. Burr Baldwin, UCLA. Joe Distasio, Cornell. Ed Mead, Princeton.

Tackles—Frank Wydo, Cornell. Ralph Sazio, William and Mary. Russ Deal, Indiana. Charlie Compton, Alabama. Pete Kotlavich, Southern Methodist. Weldon Edwards, Texas Christian. Hubert Shurtz, Louisiana State. Bob Hendren, Southern California. Harold Kilman, Texas Christian.

Guards—Knox Ramsey, William and Mary. Herbert St. John, Georgia. Weldon Humble, Rice. Jim Sid Wright, Southern Methodist.

Centers—Bryant Meeks, South

Gibson And Kuhn Nurse Bad Injuries From Wilson Tilt

The New Hanover High school Wildcats, who fought gamely Friday night but suffered a heart-breaking 12-7 defeat, came out of the encounter minus the services of two first string players — Jim Gibson and Bill Kuhn.

Both lads, injured slightly before Friday, were busted up badly in the Wilson struggle, and neither may be in good enough shape to start in the Durham contest this week. Gibson is suffering from a bad knee, which is receiving treatments from a local doctor. Kuhn's ankle has swollen up to such enormous size that the 200 pound tackle is resting in bed. Finley McMillan, who has been alternating at left end with Bobby Stewart, came up with a bad cold yesterday.

Aside from these three the Wildcat lineup is in fair shape, but definitely will not be at top strength for the all-important Durham game.

Plans announced by the NHHS athletic department state that the varsity is scheduled to leave Wilmington at 9 o'clock Friday morning so as to give the boys a good rest before the contest.

Meanwhile the squad was heartened by the news of a last chance to get into the championship play-offs. Many of them believe Rocky Mount may upset Wilson, and Fayetteville will defeat Raleigh.

Many local fans have been making plans to attend the Durham game and stay over Saturday for the Duke-Wake Forest football battle.

Burr Baldwin Of UCLA Named Lineman Of Week By Writers

Sensational Flankman Scored Three Touchdowns; Blocked Kick

NEW YORK, Nov. 6.—(AP)—For the second time this season Burr Baldwin, of UCLA, hailed as an "out-of-this-world" end, has won the lineman of the week award in the Associated Press weekly poll.

Baldwin put on a topflight performance as the UCLAn's routed St. Mary's 46-20 last week. He scored three touchdowns, two on pass plays that covered 49 and 23 yards. The other six-pointer came when he scooped up a blocked kick. He was equally superb on defense.

Other "workhorses" of the forward line drew high praise. Weldon Humble, Rice guard, played such a terrific game against Texas Tech that Del Morgan, Tech coach raved "I was glad to see Jesse Neely take Humble out. I was afraid he was going to hurt some of my guards back."

Joe Tereshinski, Georgia end; Bryant Meeks, South Carolina center; Knox Ramsey, William and Mary guard; Frank Wydo, Cornell tackle; Ed Mead, Princeton end; John Canady Indiana center; and David Schmit, Kansas end, were among the others singled out for particular pats-on-the-back.

Meeks, proclaimed as a "solid nomination for all-America," by Southern Conference admirers, threw one openfield block that left three Citadel men flat. Two had to be helped off the field.

Linemen nominated this week: Ends—David Schmidt, Kansas, Ted Cook, Alabama. Joe Tereshinski, Georgia. Wendell Williams, Rice. Ray Poole, Mississippi. Burr Baldwin, UCLA. Joe Distasio, Cornell. Ed Mead, Princeton.

Tackles—Frank Wydo, Cornell. Ralph Sazio, William and Mary. Russ Deal, Indiana. Charlie Compton, Alabama. Pete Kotlavich, Southern Methodist. Weldon Edwards, Texas Christian. Hubert Shurtz, Louisiana State. Bob Hendren, Southern California. Harold Kilman, Texas Christian.

Guards—Knox Ramsey, William and Mary. Herbert St. John, Georgia. Weldon Humble, Rice. Jim Sid Wright, Southern Methodist.

Centers—Bryant Meeks, South

WAKE FOREST GETS ROLE OF FAVORITE

Coach Peahead Walker Still Plenty Worried Over Duke Plays

WAKE FOREST, Nov. 6.—(AP)—Despite reports that Wake Forest will be favored in its game with Duke Saturday, Coach Peahead Walker is taking no chances and ran his Deacons through another long workout Wednesday that lasted until dark.

In the long workout, the Deacons covered nearly every phase of the game. They worked on their blocking, their tackling, on their running offense, their passing, and their kicking.

They also studied Blue Devil plays as they worked on their defenses against rushing and passing.

The Deacons brushed up on place-kicking for extra points in 17 attempts this season.

Finally, Walker gave his players some new plays for use against the Blue Devils if the going gets rough Saturday.

There was good news from the Wake Forest injured list as it was announced that Clay Croom, fullback, and Dewey Hobbs, tackle, would be back in shape by Saturday. It was still doubtful whether Red Cochran, star tailback who has been out most of the season with injuries, would be able to play.

Carolina, John Cannady, Indiana, Paul Duke, Georgia Tech. Billy Thomas, Arkansas. John Rapacz, Oklahoma. Don Paul, U. C. L. A.
