WORN OUT FROM GETTING UP NIGHTS?
 If you get up nights—have frequent desire to pass your water—yes, and have backache, due to excess acidity in the urine, be glad you're reading this: Three generations ago Dr. Kilmner, a famous doctor, found hundreds of his patients with this trouble. So he made a medicine of 16 herbs, roots, vegetables, balsams. He called it "Swamp-Root." Millions of men and women have taken it—often with amazing results. Swamp-Root goes right to work to flush out kidneys... increases flow of urine, helping relieve excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed. For free trial supply, send to Dept. R, Kilmner & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your drugstore.

SOCIAL SECURITY HEAD OUTLINES CAPITAL PARLEY

N. A. Avera, manager of the Wilmington Field Office of the Social Security Administration has returned to the city after attending a conference in Washington, D.C.

Avera reported that during the conference the August 1946 Amendments to the Social Security Act, relative to survivors of World War II Veterans were discussed. The

Amendments apply to survivors of World War II veterans who served at least 90 days in the Armed forces and were honorably discharged and died within three years after discharge.

Special emphasis is stressed on the importance of survivors of World War II veterans filing for benefits immediately. If claim is filed before Feb. 10, 1947, benefits will be payable retroactive to date of death; however, if claim is not filed before February 10,

1947, payment of benefits is retroactive for only three months.

Avera urges the survivors of World War II veterans to file their claims immediately by contacting the Wilmington Field Office, which is located at Room 130 Custom House, Wilmington, N. C.

When it became necessary to rebuild a Peruvian factory a few years ago, tailors were found to be sufficiently skilled in design work to make sheet metal layouts in the absence of any sheet metal workers.

Third Storm

E. A. Amman, U. S. Weather bureau forecaster here, said the far Western Aleutians were spared much of the buffeting, but Dutch Harbor caught winds of close to 50

Fatal Game
 SAVANNAH, Ga., Jan. 9.—A child's game of cowboys and Indians caused the death of a 13-year-old Savannah boy Wednesday.

William T. Yawn accidentally hung himself with the rope he was using in a game. His mother said he stayed at home from school because he wasn't feeling well.

She left the house for a few miles per hour and similar winds hammered the coast of the mainland.
