PRICE OF BUTTER DROPS TWO CENTS

Weeks Amounts To 23 Cents At Retail

By THE ASSOCIATED PRESS Butter prices dropped again today on the heels of a prediction of a retail price below 50 cents a pound by this summer.

A decline of about 23 cents in the last three weeks has coincided with a big jump in production. Heavy supplies in wholesale markets have put relentless pressure R. K. Froker, professor of agri-

cultural economics at the University of Wisconsin, who made the forecast of 50-cent butter at a farm conference in Madison, Wis., on Monday, explained: "Milk production is at its peak

and that, plus the fact supply pipelines are well stocked, will drop butter prices before long." Major food chains in the East unounced a reduction in retail outter to 65 from 67 cents a pound. effective Wednesday. One concern lad jumped the gun by quoting that price last Friday.

At New York wholesale prices dropped 1 to 2 cents a pound to 1.61 1-4 cents for top grades. fundreds of pounds remained un-
