Soviet Knowledge **Of Bomb Hinted**

Baruch Believed To Have Informed Senators

That Russians Have Penetrated

America's Atomic Secrets

WASHINGTON, Feb. 3.-(AP)-Bernard M. Baruch reportedly told senators today there is evidence that Russia has penetrated to some extent the secrecy wall this country has erected around the production of atomic bombs.

Baruch's testimony, given in a closed session of the

Senate atomic committee was summarized by one committee member and confirmed by an **FIVE INDIANS** other as indicating the Soviets had gained access to some highly secret information but apparently did not know exactly what it meant or how to use it.

No member would comment Auto Crashes Into ACL publicly on what went on after the committee closed its doors to the public following a hearing in which Baruch blamed scientists for

"lambasting" the army into mak-ing public in 1945 the Smyth re-This report, prepared by port. Henry De Wolf Smyth, contained data on atomic energy. David E. Lilienthal, nominated to be chairman of the atomic energy commission, has criticized the release of the report. Baruch, who resigned recently
