REWARD BY \$400

Commissioners In Special Session Increase Amount Offered

Special To The Star LUMBERTON, March 14. - Appropriating \$400, the Robeson county commissioners in special session tonight raised to \$1,000 the reward now standing for the arrest and conviction of the slayer of Mrs. Frank Roberts last Sunday night at her home in the Barker-Ten Mile community of the county.

The commissioners' appropriation supplements \$600 in reward money previously subscribed by citizens of the community, hundreds of whom have joined with law enforcement officials in a widespread search for missing Johnnie Jones, 28, Negro, the suspected

Britt and other officers that Jones, evidently a short time after the slaying of Mrs. Roberts, had gone to his home at a rooming house in the community and changed clothes. The search for Jones has extended into several states.

Sheriff Britt made it clear tonight that the \$1,000 reward, which is in his possession, will be paid to the person or persons responsible for the arrest and conviction of the Law enforcement officers, how
