No Meeting Planned

Interior Department officials leaders and operators together for negotiations, looking toward a return of the government-seized mines to private ownership. Krug took over the strike-bound pits last May 22 to end a paralyzing 59-day walkout by the miners and the Krug-Lewis agreement went into effect as a work contract.

Krug's aides declared the initiative could be taken by the operators or Lewis for a get-together, without governmental prodding. Lewis' action today, reversing
