

### SBL ENDS PROBE OVER MILK PRICE

#### Copies Of Report Forwarded To Durham, Raleigh Solicitors

RALEIGH, April 16—(AP)—Attorney General Harry McMullan reported today that the State Bureau of investigation had completed a probe of milk price increases made last fall by Durham and Raleigh dairies.

Copies of the SBI report have been sent to Solicitor William H. Murdock of Durham and Solicitor William Y. Bickett of Raleigh with the request that the two confer with him here on April 25.

At that time "we will consider whether there is sufficient evidence to justify prosecution" of the dairies under the state's anti-trust laws which prohibit price fixing of foods, the attorney general said.

McMullan said that early last November several Durham dairies increased the price of milk two cents per quart and that several days later several Raleigh dairies made a similar price increase.

The attorney general also said that he and the two solicitors would decide whether additional investigation of the situation is needed.

#### DREDGING BEGINS ON RIVER CHANNEL

#### Work Is Expected To Last Year To Bring River To 32 Feet

Dredging work began this morning on a \$592,000 project to restore the Cape Fear river channel to a 32 foot level. The work, which is expected to last a year, is being done by the dredge Pennsylvania, sub-contractors to the McWilliams Dredging corporation of New Orleans.

Beginning at the Brunswick river and proceeding to the mouth of the Cape Fear river, the dredging work will scoop out tons of mud from the channel and restate it to its former level. After completing this stretch, more dredging work will be done

on the Brunswick river, deepening the "shipturn" and the basin. The work is now in full force.

Before the contract was awarded March 20, six companies submitted bids. They ranged from 901,000 asked by the Hendryz company of Tampa, Fla., to the \$592,000 bid by McWilliams. The McWilliams estimate was some \$90,000 below that of the Wilmington District Engineers office, which awarded the contract.

At the time the contract was given to the McWilliams corporation, officials expressed hopes of using their own dredges. Later, however, they sub-contracted with the dredge Pennsylvania to do the dredging work.

#### NORFOLK POLICEMEN SCHEDULED FOR COURT HEARINGS

NORFOLK, Va., April 16—(AP)—Three south Norfolk policemen charged with intoxication, improper advances toward young girls and striking prisoners in connection with the suicide of a 14-year-old girl in front of the police station Feb. 28 were scheduled for hearings today.

The charges were made against Policeman N. L. Todd, E. P. Barnes, and W. F. Foster by Commonwealth's attorney A. O. Lynch, who investigated the death of Annie Mae Wilson, 14.

The girl killed herself with a pistol as she was being taken to police headquarters for drunkenness.

The three officers were accused of picking up Annie Mae and a 15-year-old girl friend and making improper advances enroute to the police station. They also were

charged with striking the teenagers when their advances were repulsed.

Barnes, Foster and Todd also were accused of negligence in letting the 14-year-old suicide victim obtain the pistol.

Two other men were awaiting trial in Juvenile court on charges of selling whiskey to the girls.

Nepal, a state in India, is about the size of Illinois.
