Executive Will Insist On Resumption Of Normal Service After Monday

RALEIGH, May 2-(A)-Governor Cherry today told representa-tives of the Southern Bell Teleshone and Telegraph co. and the striking Southern Federation of Telephone workers that if the current strike is not ended by Monday, May 5, that he will insist that normal service be resumed first by present employes.

Should the present employes refuse to return to their posts, the governor said that he will arge the telephone company to ploy additional workers. The governor made his position

known, he said, in presenting copies of a letter to Edwin A. Clement of Raleigh, district manager of the Southern Bell, and to Owen Lee of Raleigh, state director of the Southern Federation of Telephone workers. Speaking at a press conference this afternoon, the governor made it clear that he was acting as

ernors' conference. His action was for this state only, he said. Asked if he was using any emergency powers and on what authority he wrote his letter, the governor replied, "I am not using any emergency powers. I am taking

just happen to be governor at this time.' The state of North Carolina, unlegislation, has no law which Miss Martha McCaig, Wilming-would permit the state to seize ton girl who spent two years with strike-bound utilities.
