New York City, Soviet Deputy Foreign Minister Andrei A. Gromyko (left) and U. S. Ambassador to Russia Lt. Gen. Walter Bedell Smith drink a toast to international friendship. Gromyko declared that America's "monopoly" of atomic weapons was an "Illusion." (International)

CORRECTION

A story appearing in Sunday Morning Star-News, which misquoted Col. John Bright Hill during his introduction of Sen. William B. Umstead before the state Reserve Officer's Association, has received wide circulation. And because of this fact, a second correction is again being made. What Col. Hill said was that Sen. Umstead was the first veteran senator the state has had in 50 years. The Star is glad to make this correction again.
