### **NAVY COMMANDER** ARRESTED BY FBI

### Former Bronson Field Commandant Faces Theft Charge At Pensacola

MOBILE, Ala., June 10- (中) -The Federal Bureau of Investigation announced today the arrest of Comdr. Dolph Chadwick Allen, 50, former commanding officer of Bronson Field, near Pensacola, Fla., on a charge of theft of government property from the field. J. J. Gleason, special agent in the charge of the FBI field office here, said two truck loads of property marked U. S. Navy valued at "well over \$5,000" had been located on Allen's estate on Perdido Bay in Baldwin county, Ala-

A Navy career man and a native of California, Allen served as commanding officer of Bronson Field from August to November, 1946. He was retired in January

Gleason said Allen was taken

Virginia and Maryland, the next his shell and becoming a whole-section to begin digging, will hearted participant in the activisection to begin digging, will start June 23. Thus, if North Carolina potatoes were dug next week they would have a comparatively free market probably could justment of campers, a counselor accommodate all U. S. No. 1's that is confronted with a unique opcould be shipped.

Moreover, Whitfield could see no hope for avoiding dumping more carloads of B's and U. S. 2's. "We want to avoid dumping 1's, if possible," he declared.

Whitfield's wire went to the county agents of Currituck, Camden, Pauquotank, Tyrrell, Hyde, Beaufort, Pitt, Pamplico, Wayne, Puplin, Carteret and Columbus.

Meanwhile, the Federal-State Crop Reporting service estimated up the first light against the sec- the state's commercial early crop ond and then moved in a direct of irish potatoes at 4,576,000 buline toward them, making the shels. The figure is 40 per cent less than last year's record crop willing to pay.

"This is the principal cause of the rising retail prices of the past are determined to govern them back to its period of construction."

"The beam in the lighthouse was of 7,650,000 bushels. Total early back to its period of construction." of 7,650,000 bushels. Total early timated at 34,312,000 bushels compared with production last year of 50,504,000 bushels.

### WELCOME

(Continued From Page One)

phone raised by a radio man. "I'm saying hello to Canada right now," he said. "I'm very, very happy to."

As the radio engineer beamed, the President burst out laughing a few minutes later when a small boy in the crowd piped up: "Hey, is Margaret there?"

### Women Wave

At the President's urging Mrs. Truman and his blond daughter, Margaret, came out on the platform to wave a greeting to the crowd and pose for photographers. Louis S. St. Laurent, secretary of state for external affairs, then came aboard to extend a "warm welcome" to the President. He was accompanied by Ray Atherton, The American ambassador, chief of protocol.

nor General and his wife, King, Madame St. Laurent, Mrs. Atherton, Hume Wrong, Canadian ambassador to the United States, and Stanley Lewis mayor of Ottawa,

and Mrs. Lewis. Boarding waiting cars, the official party then drove through lined with cheering streets throngs.

### Guns Boom

Upon his arrival at Rideau gate at the entrance to the government grounds, a guard of honor boomed out a 21-gun salute.

Steeping from his car, the President, attired in gray - striped trousers and black coat, made an inspection of the guard before go-

ing on to government house. The President interrupted his rest long enough to go over to the House of Commons to attend a presentation of portraits of king and former Prime Minister Sir Robert Borden, to Commons,
