## U.S. Has Task Complete

#### Secretary Tells Governors He Feels Sure Of American Reaction

SALT LAKE CITY, Utah, July 14-(U.P.)-Secretary of State George C. Marshall warned the American people tonight that their "lives and fortunes" are bound up in Europe's struggle for recovery and the United States must help its "traditional friends" in western

Europe or lose them to the Russian-dominated East, Speaking before the 39th annual Conference of Governors, Marshall made his strongest bid for popular support of his plan for U. S. economic aid to those European countries which will cooperate in the peaceful reconstruction of their

war-shattered continent. "There is no blinking the fact that this country now stands at a turning point in its relations to its traditional friends among the nations of the old world," he said. "Either it must finish the task of assisting those countries to adjust themselves to the changed demands of a new age, or it must reconcile itself to seeing them move in directions which are con-

sistent neither with their own traditions nor with those of this coun-

"Piecemeal Aid" The nations of Europe feel that the aid so far granted has been piecemeal and certainly not fully effective, he said, and they "wonder whether we are pursuing the

right course." "These reactions are understandable," he said. "It is true that the back on their feet have thus far crisis and therefore of a somewhat
