**ESTABLISHED 1867** Security Council Calls On Indonesians, Netherlands To End War Immediately; Brewster Will Waive Senatorial Rights

THE 12 WILMINGTON BOYS shown in the accompanying photo were guests at a get-together party held last night by Wilmington Lodge, No. 532. Benevolent and Protective Order of Elks, which will sponsor their attendance at the North Carolina Elks boys' camp near Hendersonville, August 3-17. In the group of youngsters are, front row, Bobby Leitch, Leoverne Joye, Vernell Peacock, Ludwig Leiner, Gatchell Joye, Gene Skinner; back row, Harriss King, Earl Gore, Ron ald Hobbs, Allen Moore, Kenneth Looney and Wade Moore, (Star Staff Photo by Maynard).

### Probers Hear **Publicity Man**

Evidence Links Elliott Roosevelt With Overriding Air Force General

WASHINGTON, Aug. 1-(AP)-Senators probing Howard Hughes' to get warplane contracts heard testimony today that Elliott Roosevelt's recommendations overrode the commanding general of the air forces, and then started quizzing publicity man John Meyer on his relations with the son of the late President.

BRILLIANT SHINER is displayed by Joseph S. Wrenn, who says two policeman brutally beat him about the face and body. In addition to a severely bruised right eye he suffered numerous body bruises. The former serviceman will be X-rayed for possible head injuries this morning. The alleged attack took place last Sunday night on Front street, Wrenn said. (Staff Photo by Roy Cook) Meyer sleepy-eyed after a hurried flight here from France, did not get very far on his story of his work for Hughes before the hearing was suddenly recessed un-

He did get in a denial that he had padded his expense accounts to show lavish entertainment of government officials. He replied, "Right" when asked whether it was "your duty to entertain Army

officers, Navy officers and others?"

The many-sided inquiry of the Senate War Investigating committee also turned up an offer by its tee also turned up an offer by its term to the tee also turned up an offer by its term to the an offer by its term to the an offer by its turned up an offer by its term to the an offer by its turned up an offer by its turned up an o tee also turned up an offer by its chairman, Senator Brewster (R-Maine), to waive his senatorial Bell County, Kentucky, former Wilmington shipyard worker, last night sat on a charge" fired at him by Hughes.

### **Veto Threats** Are Quelled

UN Governing Body Votes 8 To 0 To Require Nations To Arbitrate

LAKE SUCCESS, Aug. 1-(P)-The United Nations Security council tonight called upon the Dutch and Indonesians to cease fighting immediately and settle their dis-putes by arbitration or other peaceful means.

The unprecedented decision was reached after only two days of The vote was 8 to 0 with Belgium, France and Britain abstain-

ing. Britain stressed that its abstention should not be construed Alexander Parodi of France said he would have preferred to vote against the resolution, but abstained because his veto would

have killed it. Faris El Khoury, of Syria, council chairman, immediately instructed the U.N. staff to communicate the council's decisions to the governments of The Netherlands and the Republic of In-

Council Adjourns The council adjourned at 8:15 (EDT) until Monday at 8

In the final stages of a five hour session, delegates rejected a Russian amendment which directed that Dutch and Indonesian troops should be withdrawn to positions they held at the start of military operations as a step toward the ransaction of some \$55,000 and officials of the Wilmington Elk club peaceful settlement. The vote here was 2 to 0 with only Poland supporting the Soviet Union and the

other nine members abstaining. Passage of the resolution, sponsored by the United States and also served to give Security council recognition to the Republic of Indonesia. This point had been hotly contested by The Netherlands, which contended that Indonesia was not yet an independent state. In an adjoining chamcouncil also voted recognition to the Republic by inviting it to a

trade and employment conference Will Oppose Order The question immediately arose whether The Netherlands would choose to comply with the council

Dr. Eelco N. Van Kleffens, Dutch ambassador, told the council in the midst of the speedy discussions that his government would accept an invitation to end hostilities but would oppose any order from the council. The Dutch consistently held that the council sons experienced in boys' sum- had no power to give any orders in the Indonesian case.

### ARMY DISCOVERS **BIG ARMS PLANT**

German Factories Were Making War Materials For "Foreign Power"

BERLIN, Aug. 1. —(P)— The American Military government said today it had discovered large quantities of war material, which apparently had been manufactur-ed for an unidentified "foreign power," secreted in stockpiles in two German factories in the U. S. sector of Berlin.

The two factories were closed immediately and the factory officials taken into custody.

Semi-completed gyroscope motors used in aircraft, submarines and found in the Friedenau and Mariendorf plants of Askaniawerke, Temporarily, the county farm is one of the biggest general scientific tween 700 and 1,000 workmen in Berlin, has branches in other sections of Germany and foreign countries and during the war was en-
