FORGIVEN BY HER HUSBAND, David Miller, young Rowland store operator has announced to the newspapers that he has forgiven his wife, Mrs. Mary Edna Currin Miller for her alleged part in the plot to kill him and "make it look like a suicide." Miller said he will ask the "great State of North Carolina" for mercy for his wife when she faces trial Wednesday in Robeson county Superior court, Mrs. Miller is charged with hiring Fred Wiggins, Negro farm hand to shoot her husband.

**Conservative Leader** Flays Emergency Bill **Speaks In Commons Few Hours After Attlee** Wins Narrow Victory In Labor Party **Caucus Against Left Wing Move** 

LONDON, Aug. 11.-(UP)-Winston Churchill said to day that the Labor cabinet in its emergency bill designed to meet the economic crisis sought "power such as no government in this Island has ever before dared to demand except when enemies' bayonets were at our throats." The conservative leader,

sparingly denouncing the bill **GREEN DENOUNCES** spoke in commons a few hours after Prime Minister Clement R. TAFT LABOR BILL Attlee won a narrow victory in Labor Party caucus against a left wing move to prevent postpone ment in the government's nation-

**Defies GOP To Nominate** alization program. Sen. Taft For Presidency In Speech

today defied the Republican party from their existing conditions and to nominate Robert Taft of Ohio sending them against their will or for the presidency and disclosed that the AFL is preparing a legal challenge to the constitutionality of the Taft-Hartley law.

Green, addressing the convention of the International Tamsters hood of Teamsters (AFL), predicted Taft would "suffer the worst defeat ever handed to any

candidate of a major party for the presidency." of Referring to the Taft-Hartley straint." But, he said, they might bill as "this unconstitutional mea- be overthrown in their own party. sure," Green said the AFL is "determined to defeat for reelection very member of Congress who voted for this vicious law." He said the AFL will "use its economic strength to protect its In his place we may have the membership in contract negotia- minister of health (Aneurin tions so some of the harsh pro- Bevan) or someone like him to visions of the Taft-Hartley act will not apply." "Make no mistake about it," he

declared. "Labor has the votes. And no noe is going to stop us." The Home Secretary (James Daniel J. Tobin, 72-year-old president of the Teamsters, warn-ed that the Taft-Hartley law will

increase strikes.

Criticising the clause of the bill which gives the government power to shift workers from one job to another, Churchill said: "This press gang of snoopers in SAN FRANCISCO, Aug. 11-U.P. to go around the country to find -AFL President William Green means of taking working people

sending them against their will or without their consent to other in dustries.

"You are endeavoring to establish the power for seridom of the working class in time of peace without even giving them the right to be protected by parliament.'

Churchill said Cabinet members had shown themselves to be men "experience and self be overthrown in their own party. "The present Prime Minister may be discarded as lacking in color or for some other reason,' He said, "although I thought that his color was pretty red anyhow. exercise these powers. They could be used with any amount of political spite.
