GREENSBORO, RALEIGH YOUTHS BOUND OVER TO SUPERIOR COURT

A Greensboro and two Raleigh youths yesterday were bound over to New Hanover County Superior Court under \$1,000 bond each on charges of the larceny of an airplane at the Carolina Beach airport early last spring.

The action came yesterday in Wilmington's recorder's court when Ralph Alexander, and Maurice Kern, of Raleigh, and Eddie Johnson of Greensboro, appeared before Judge Winfield Smith.

The warrants charge that the youths took a plane belonging to William S. O'Neal of Raleigh and wrecked it. Johnson was hospitalized after the accident. The value of the plane was set at \$2,295 in the warrant.

NON-SUIT TAKEN IN LARCENY CASE

Otto Stanley, 23, Negro, yesterday in a jury trial in Superior Court admitted a pair of shoes found near 721 Castle street, which had been broken into, were his.

But he explained that he had lost the shoes a few days before police reported that the place had been entered and 100 pennies stolen. That was last July 19, police said.

But Defense Attorney Elbert Brown argued that there was no evidence that Stanley had been near the site although the shoes found belonged to his client.

The court ruled the trial a non-suit and the jury didn't get a chance to consider the matter. Stanley was charged with larceny and receiving.

BLADEN LICENSE EXAMINER WARNS DRIVERS ON EXAMS

BLADENBORO, Aug. 21—Bruce Williamson, state driver's license examiner for Bladen county has issued a warning to all drivers to come in for examinations when their "letter" comes up.

Williamson said the letters "A" and "B" are now in force and will be until December 31. Only three or four drivers per day have applied for permits, he said.

The license examiner listed six safety devices that must be in working order before drivers can operate their cars during the examination.

They are as follows: (1) lights with high and low beams, tail lights with a white light on license plate; (2) Breaks-hand and foot; (3) Windshield wiper; (4) Rear vision mirror; (5) Horn; (6) Am muffler-a gutted muffler will not pass.

Immigrants who came to America in sailing ships often required seven to 12 weeks for the trip.

\$72,000 in Package Left On Whiteville Newspaper Counter

WHITEVILLE, Aug. 21—The traveling circus man who left a paper bag full of money on the News Reporter counter while he took a snooze returned Tuesday to advise that he had since counted the lovely green and it added up to \$72,000.

Claiming that he had no idea of the total at the time he left the money, he said the removal of a few hundred would never have been missed. All those who saw the bag and never bothered to investigate at the time are now thinking what they could have done with just one of those uncounted rolls.

BY WILLIAM E. MCKENNEY
America's Card Authority
Written for NEA Service

A good bridge player is alert and observant. He never plays a card carelessly. There is a reason for every play.

When you open your partner's suit, he has a right to figure that it is a standard type of opening—either your fourth best of his suit, or low from an honor, or the top of two or three small cards of his unit.

An observing defender defeated the contract on today's hand. Declarer played the queen from dummy in the opening club lead and East won. East did not carelessly return a club. He could count that declarer had no more clubs, and from the bidding, his trump suit should be pretty solid.

East decided to lead up to the dummy's weakness, and so led the nine of hearts, on which East played the deuce.

West at first had been a little upset because his partner had not returned a club, but he noticed that East played the nine, and then the deuce of hearts, clearly indicating that he held no more hearts.

Therefore, the only chance to defeat the contract was for West to lead another heart and hope that East could over-ruff the dummy. East could, and did, for the trick ended to set the contract.
