**Scout Officers To Be Named By Committee**

Nomination of officers for the Wilmington district of the Cape Fear Area council of the Boy Scouts of America, will be handled by a committee of three. That was announced last night by Wallace West, district chairman. Members of the committee are E. R. Blakeslee, chairman; Jesse Sellers and the Rev. Price H. McCain. **SUPERIOR COURT ADJOURNS TODAY**

**Number Of Cases Disposed Of Yesterday; 20 Remaining On Docket**  
Superior Court Judge Leo Carr ground through criminal cases yesterday in the August term of criminal court as Solicitor Clifton Moore pushed the trials along. But still, at the end of the day, there were at least 20 cases left and only one more day of court remaining. A jury found Richard Anderson, 18, a soldier of Bloomington, Ill., guilty of receiving a phonograph and records stolen August 13 from a rooming house at Carolina Beach. Anderson contended he purchased the machine from "a blond boy" on the beach. The court held the youth for military authorities. Anderson admitted that he was absent without leave. Mrs. Lucille Borrell, the landlady, testified that she missed the phonograph from the front room of her cottage. Johnnie Moore, legless Negro, was told to come back today to receive sentence after pleading guilty to stabbing his "girl friend," Ruth Mosher with an ice pick eight or nine times because she "didn't want to go with me any more."

But the girl appeared in court with Moore and said that they "had patched up everything." Eighteen months on the road was the penalty handed out to James Williams, 36, Negro, who was found guilty of stealing the proceeds of the sale of 71 watermelons last July 20. The heaviest sentence of the day, seven to 10 years in prison, went to Wesley C. Sewell, 19, charged with burglary. He was found guilty of taking jewelry July 17 from a Wilmington residence. Raymond Porter was placed on probation for three years after receiving a sentence of 18-months on a charge of assault with a deadly weapon. The charge was changed from hit and run in connection with an automobile accident. Porter agreed to pay \$600 damages. Twelve months on the road was meted out to Benny Wilkins, former pugilist, after a jury two days ago found him guilty of assault with a deadly weapon upon William Flowers in an argument over splitting wood. Wilkins smilingly, had sat in the court continually since the jury had found him guilty. A crime against nature to which Broadus Evans, youthful Negro high school honor student and church organist, pleaded guilty, brought him 15 months at the county farm.

Jimmy Taylor, scout field executive, Cape Fear Area Council, Boy Scouts of America, will meet with parents of Cub Pack 36 in the Sunset Park Baptist church tonight at 8 o'clock, it was learned.

The Young Men's Christian association gymnasium will be closed Friday through Monday Aug. 22-25, for repainting, Adam Smith, physical director, reported.

First Sergeant N. Giovinette, instructor, Wilmington National Guard unit, yesterday cited opportunities awaiting men in the organization's new set up in the city, by pointing out that no prior service is required to join and that for each two-hour meeting a week a full day's Army pay will be given. Applicants may join in the W.L.L. Armory, Battery A, 150 Infantry, Fourth and Market streets, Headquarters and Headquarters Battery, Cape Fear Armory, Eighth and Market streets, between 7:30 a. m. and 9:30 p. m., or at the old Marine hospital, Company I, Eighth and Nun streets, between 7:30 a. m. and 9:30 p. m. on Tuesdays.

Officers and men of the Wilmington Navy recruiting station were today congratulated by the Chief of the Bureau of personnel, Navy department, together with Capt. Richard E. Hawes, USN, inspector, Third Recruiting area, with headquarters in Atlanta, Ga., and officers and men under his command for exceeding the procurement quota set for July, 1947. The local office exceeded its quota by four men.

Friends of Rev. W. G. Hurni, former pastor of Wilmington's Gospel Tabernacle, will be glad to know that he will be in Wilmington next week, attending the Dr. Arthur I. Brown Bible Conference at the Gospel Tabernacle, Sixth and Orange streets.

**CURRENCY BAN**  
LONDON, Aug. 21 — (AP) — The British government ruled today that after next Saturday travelers may take only five pounds (\$20) in sterling notes into or out of Great Britain. The order, part of the British program to fight its way out of an economic crisis, supercedes a law under which travelers now may carry 20 pounds (\$80) in or out of the country.
