Henderson County Panel Holds J. R. Calton For Murder In Fatal Shooting Of Noah Cecil Rhodes, Wilmington Youth

**HENDERSONVILLE**, Oct. 1. \_ P - A Henderson county grand jury today indicted J. R. Calton, elderly night watchman at the Asheville-Hendersonville airport, for murder in the fatal shooting of Noah Cecil Rhodes, 16year-old Mars Hill college student from Wilmington, last August 7.

The case was set over to the March term of court here. Callon remained free on bond posted following a coroner's inquest in August. The day of the shooting

Calton gave a signed statement to investigating Asheville officers in which he

said he shot the youth when Rhodes refused to stop. In the statement, Calton said that the youth told him "I am going to take an airplane.'

Calton said Rhodes took a wheel chock from under one of the planes "and as I approached him he threw the chock at me. He then grabbed a second chock and was coming toward me. I told him to drop it but he kept coming toward me. I had my gun out by this time and when

**Economic Warfare** Brews In Europe Diplomats See Move As Soviet Counter To Marshall Plan

ESTABLISHED 199

LONDON, Oct. 6 - P-Diplonatic sources here said today reation of a new International Communist organization was the signal for openly intensified political and possibly economic warfare between the Soviet Unon and the Western powers.

Late reports from European capitals indicated such a conflict was already brewing in the wake of vesterday's announce ment that Communists in nine countries had banded together fight "American imperialism." The diplomatic informants saw the move as Russia's counter-strategy to Secre-Of State Marshall's plan tary European reconstruction through mutual cooperation.

In Vienna high diplomatic sources said the Austrian government, convinced that there is no possibility of agreement between the allies on the Austrian treaty, had launched an all-out attack against Communist propaganda and tactics.

"We cannot allow Austria to become another Hungary," diplomatic informant quoted a high Austrian official as saying. "We must not let the Communists secure a dictatorship of the minority. Therefore we must expose their aims and

And So To Bed

Baseball is not only the number one sport in the Units ed States, it has reached into the British navy.

Yesterday afternoon a member of the crew of the H. M. S. Snipe, British sloop, tied up at the Customhouse docks for a four-day visit, was listening to the play-byplay account of the World Series between the Yankees and the Dodgers.

When the final score was announced, the British sallor grinned, turned to a local citizen standing nearby, and said. "Oh, Say, what do you know. I lost a pound on those Bums.

He vowed he would never bet on the Dodgers again.
