Testimony regarding the activities of Fritz and Mrs. Fritz during a period extending from Jan. 7 to Feb. 21, this year, was given by Mrs. Bruce Smith, a key state witness, who said that she had been employed by Fritz to work in the school office during that period but that she had been discharged by Fritz later.

PROSECUTION

Questioning of Paul Reid, controller of the State Board of Education, had been started by the prosecution when the trial was recessed for the day. Reid, whose name has frequently been mentioned in the State Board's investigation of the fiscal setup at the Hudson school, was telling how the State Board allots school funds to counties when the recess was called. Teachers Testify

Three school teachers formerly employed at Hudson, were asked if they had seen Mrs. Fritz teaching at the school durthe year.
