Boy Scout NEWS

Oconeechee Council Camp to Open Monday

The Oconeechee Council Camp will fall into full swing Monday, July 23rd, when the Scouters and Scouts from various sections of the Council will gather at Camp Whispering Pines, near Cary, N. C. for the first week of a three week period ending August 12th. The activities will consist of First Aid, Aquatics, Stalking, Ropework, Hikes, Axmanship, Courtesy and Table Conduct, Personal Health and Sanitation, Lord Baden-Powell, the founder of the Boy Scout movement had this to say about camping: "the open-air is the key to its success. But with too much town life, we are apt to overlook our object and revert to type. We are not a club nor a Sunday school—but a school of the woods. We must get more into the open to the health, whether of the body or the soul, of Scout and Scoutmaster. The camp is what the boy looks forward to. Scouting and is the Scoutmaster's great opportunity. The camp cannot fall to grip everybody from the indoor life of the city with its unimproved cooking expedients, the game over woodland or moor, the tracking the pathfinding, the pioneering, the minor hardships and the holy camp fire sing songs. In camp, the Scoutmaster has his greatest opportunity for watching and getting to know the individual characteristics of each of his boys, and to apply the necessary direction to their development."

Council Courts of Honor

During the Council Camping period July 23rd to August 12th, Courts of Honor will be held at the end of each week. Each Scout who spends a week in Camp actually has an opportunity to take part in more than 150 hours of camping and doing Scouting. Here in Camp is the ideal place for a Scout to take the "S" of Scouting. The Courts of Honor will be held each Friday during the Camp period, July 27, August 3rd, and August 10th. Camping is a part of Scouting and without some outdoor life for the Scouts in a Troop, the unit will soon go on the "Rocks."

A Council Owned Camp A Great Need in This Area

With more than 1800 Scouts, Cubs and Scouters, making up 41 Boy Scout Troops and nine Cub Packs, the Raleigh-Wake County Division is a real force in North Carolina and vie with the Atlanta Area Council for second place in Region Six (South). Our Scouters looking forward and planning for that day when the Oconeechee may have other smaller councils in this State and Region own their camp. During 1945 we were not able to allow all of the Scouts who desired to come to Camp to registered because of limited facilities.

Raleigh-Wake County Divisional Committee

The last meeting of the Raleigh-Wake County Divisional Committee was held on Tuesday night of July 10th at the Bloodworth Street USO for the summer. The next meeting will be held on Tuesday September 11th, at which time the officers for 1946 will be elected. During the past year and half the Raleigh-Wake County Division has moved from 97 Scouts and 5 units to 400 Scouts and Cubs and 15 units.

Sponsoring Institutions to be Commended on Camping Spirit

The Charles T. Norwood Post of the American Legion, sponsoring the institution for Boy Scout Troop 57, of Raleigh, the Citizens League sponsoring institution for Troop 101 of Henderson and the White Rock First Baptist Church of Durham, sponsoring institution for Troop 55 are to be commended for actually aiding the Scouts sponsored by them in setting to camp and having adequate supervision while there. These three institutions, the writer was informed, have made funds available to help those Scouts who cannot pay all of their expenses, as well as aiding the Scoutmasters in the transportation of the Scouts to and from the Camp. When a Troop is first organized one of the responsibilities assumed by the sponsoring institution, is "Securing suitable opportunity for the members of the Troop to spend one or more weeks in camp with adequate facilities and supervision. Any troop that spends all of its time in a church basement or a school room is certainly to find a large number of the boys popping out at the end of the charter year. The absence of the budget plan, the lack of some outdoor activities and a "laissez faire" attitude on the part of the sponsoring institution means, in time a sure death for a Scout unit. Show me a scout troop using the budget plan, doing some outdoor Scouting each month and given some support by the sponsoring institution and I will show you a Scout troop with a small percentage of the Scouts dropping out, and
