Save Your Waste Fat!!

6.00K what Grandma got for a penny when she was a little girl - a trained dog act! Towser grips the coin in his iron jaws, leaps merrily through the clown's hoop, and deposits the little red cent neatly in the little red barrel.

All for a penny!

Quite a show for a penny! But nothing to the show your present-day electrical penny puts on for you. That penny does a lot. It will:

> Tell you the correct time for 4 days. or vacuum-clean 6 large room-size rugs, or bring you an evening's radio entertainment, or run your sewing machine for 8 hours. or wash 3 heaping tubfuls of clothes for you!

Grandma's gay little bank may be a collector's item today, but electricity puts on a bigger and better show as it takes more and more work out of your housework.

It costs so little - and it does so much! Dollar values for penny prices that's the record of the friendly folks in this company, under sound business management.
