Every time I pass the site of the new J. H. Sampson School he scripture apears to have improved considerably in appearance As a building it will be a credit to Kinston! I can imagine th celings of the students and the teachers as they enter the building September to take up their studies and duties With such a re- bers. The Prayer Band recently narkable improvement in the building, we hope that the improve ment in the quality of work turned out by the students will be qually noticeable.

The latest reports from the Father Paul Memorial School, of the Our Lady of the Atonement Catholic Church seem to be quile favorable. Registration, which took place a few weeks ago proved quite successful. From all points of view, the building seems to be progressing rapidly, also. The first semester will consist of classes between kindergarten and third grades. For those parents who failed to register their children, there are possibilities that another registration will be held before the openng of the school in Septernber

Prayer Band Union, which now has more than one hundred members. The Prayer Band recently INLINCOLMART bers who will assist in belping the sick and blind with each contributions. Their next meeting will be held at Taylors Chapel in La Grange on August 29. Mrs. Loftin states she is boning to receive several new members at that meeting, Mrs. Hillary C.
