It was announced by R. L. Wolf, Scout executive and M. R. Zachary, chairman of camping activities, that on the recommendation of the health officer in the four counties and medical societies restricting youth activities that Camp Carver will not operate as scheduled August 8-28. Well, now Scouts, you have the announcement therefore I am sure every Scout in Tuscarora Council feels the same as the officials. It all happens for the best. Although every scout had his mind made up and was planning to spend at least one week at camp they understand the situation and they are not going to let their Scoutmaster down, they are going to work just the harder in the scout activities to be ready and prepared for advancement at the next Court of Honor.

Your troop can begin now to plan for your weekend camping at Camp Carver during the fall and winter. There are many activities you can carry on in your back yard with the cooperation of Mama and Dad. Round up your next door neighbor scout on your street and show your Scoutmaster just what you can do at home. Keep out and away of old swimming holes, stay away from large crowds, keep clean and away from flies, and if you begin to feel a little bad, report it to your mother or dad. Every Scout or Scouter is asked to follow the suggestion given in the bulletin, elsewhere on this page.

The Wayne county NAACP met at the First African Baptist Church Sunday, August 1st in a special membership drive, at 8 p.m. Mr. Byrd from the National Headquarters was the guest speaker. Walter Atkinson, president, William H. Aldridge, secretary, Leroy Clark, asst. secretary. John D. Bell has returned to Philadelphia after spending two weeks with his mother, Mrs. Bell, Mr. Bell is a student at the Murrel Dobbins vocational institution. Dr. and Mrs. L. W. Harrison of Boston, Mass. Mrs. Clara Von Stevens of New York, and niece, Marie Curtis O'Hara and Mr. and Mrs. Chas. Fall of Buffalo, N. Y. were visitors in the city during the past week.

RE-DRYING PLANT IS OPENED
The first of Goldsboro's three tobacco re-drying plants opened for the season Friday morning, July 29, 8 a.m. with an approximate shift of 260 workers on hand. This was the J. P. Taylor Company, Inc. at 111 E. Holly Street. Later a second shift will be added and workers would probably number 700 during the peak season. Wallbrook Tobacco Company, Grantham and James Sts. announced it would be in operation about August 9. Its employees will number between 300 and 400. Goldsboro Tobacco Company revealed it had set no definite date for opening. Consequently it could not say how many it would employ.

Based on the 1,700 persons employed in the three plants the 8-hour day pay roll would be at least \$5,500 based on 40-cent minimum wage. The Eastern Belt market opens August 16. The businesses of the city are very glad to see the opening of these plants for it will mean so much to the community's livelihood as well as better business. Most of the workers in these plants are Negroes. Mrs. Lillian Watson, and her daughter, Virginia have returned from a two weeks vacation in Darlington, S. C. They report an enjoyable trip.

Well, as the summer days continue to be very warm and the time won't be but so long now before the boys and girls will be returning for home and school. Everyone is trying to make the best of it by trying to keep cool during these warm summer days. Because of the youth restrictions, because of the Polio, the boys and girls cannot go to the beaches, swimming pools or movies, so they are making the best of it by enjoying themselves in their back yards or on the front lawn with Mama and Dad.

E. R. Williams, Jr. (Nicky) has returned home and is back on the job at Nicky's Soda Shop after spending two weeks' vacation in New York with relatives and friends. He reports a very fine trip. Joseph E. Blue, Jr., June graduate of Dillard High, left last week for New York to spend the remainder of the summer. Mr. Blue plans to return in September to enter college at Shaw University. A word from the boys and girls who are spending the summer at Dillard High School, Broadbrook, Conn. states that they are getting along fine and enjoying life.

Miss Ruth Shadding who is spending the summer at Atlantic Beach, N. J. states that she is enjoying life fine on the boardwalk and on the beach, out with all that, she misses being at the Casino in Goldsboro. "There is no Place like Home Sweet Home". Take it easy, Miss Shadding and hurry home. Miss Georgia M. Smith is spending the summer at Carolina Beach, Wilmington, N. C. Miss Margaret Davis reports life is fine in New York City. Miss Edna Earle Dorton, Dottie Best, Winnie Durant, and Wilveria Bass are getting along nicely at home helping mother and dad, as the college doors will be opening for them in September.

Mrs. David Exum, Miss Viola Brown and Leroy Brown were called to Baltimore to attend the funeral of Miss Rosetta Brown. Mrs. Clara T. Williams of Washington, D. C. is visiting her mother, Mrs. Lucinda Turner and relatives on E. Spruce Street.

Edmund W. Gordon, dean of men, Howard University, Washington, D. C. was a recent visitor in Goldsboro. Dean Gordon, is the son of the late Dr. Gordon of Goldsboro. Mrs. C. R. Quander, music supervisor of elementary schools in Charlotte was a recent house guest of Miss Miriam G. Scott and family.

E. A. Thornton and George E. Wilson attended the district meeting of District No. 2 American Legion of Division Six in Farmville Sunday, August 1. They report a very fine meeting. Miss Val Artis and friends of Raleigh were visitors in Goldsboro Sunday. Miss Artis is the niece of Mr. E. A. Thornton.

OUTSTANDING — The Rev. R. R. Richardson, Pastor of Shiloh Presbyterian Church, Goldsboro, N. C. At the completion of his Theological training at Johnson C. Smith University in June 1938 he was called to the pastorate of Shiloh Church.

Under his energetic leadership the church has almost doubled in membership. In 1939 he was married to Miss Pauline Boulware of Columbia, S. C. who is a real helpmate in the success of his ministry.

In 1942 he was commissioned as delegate of Cape Fear Presbytery to the General Assembly of the Presbyterian Church U. S. A. in Milwaukee, Wis. In 1943 he was elected moderator of Cape Fear Presbytery, and at present he is chairman of the New Life Movement Committee, which is intended to add eleven hundred new members to the churches of Cape Fear Presbytery and one million members to the general church within three years.

For two years he has served as president of the Goldsboro Interdenominational Ministerial Alliance. He is active in the local branch of the NAACP, and the Boy Scouts of America. In time of service in the city he is the oldest residential minister. The citizens of Goldsboro and Wayne county are very proud of the work Rev. Richardson is doing in the community.

Two Southern U. Grads Given Duquesne Posts

TWO SOUTHERN U. GRADS
BATON ROUGE, La. (ANP) — Two recent Southern University graduates have just been appointed graduate assistants in the department of biology at Dequesne University in Pittsburgh, according to information received by Dr. Felton G. Clark, president of Southern University.

Dr. Tage U. Ellinger, head of the department, has appointed Bernard Anderson of Houston, and Lewis L. White of Lake Charles, La., to the posts which carry allowances of \$1,000 a year and free tuition to work on their master's degrees in biology. They will be in charge of laboratory classes.

This marks the first time that Negroes have been appointed to the instructional staff at the Pittsburgh institution. Although only four assistantships were available, two of them were given to Southern U. graduates, because of the high standing of Southern's biology department, headed by Dr. J. Warren Lee.

WINNER — Miss Georgia M. Smith, 312 William Court, the daughter of Mrs. Hattie M. Smith, veteran of World War I and graduate of Dillard High School, June 1946, has been awarded the American Legion \$250.00 cash scholarship prize.

Tuscarora Council Gives Polio Hints

The following bulletin was issued last week by R. Wolf, Scout executive of the Tuscarora Council following the Council's decision to cancel the scheduled opening of Camp Carver on August 28.

TUSCARORA COUNCIL NEGRO SCOUTERS:
It is with a great deal of regret to announce that Camp Carver will not operate from August 8 through August 28. On the recommendations of our Council Health and Safety Committee, and the local health and medical officials, we feel it is inadvisable to bring our Scouts together for the camping experience because of the polio situation.

I know this will be met with real disappointment on the part of the Negro Scouts in our Council. The reservations for attendance have been coming in at an encouraging rate, the Scoutmasters, Troop Committee members and Divisional Committee members, all have done a good job in promoting camp. It shows real interest on the part of the Negro leaders in our Council. Therefore, it is doubly hard to pull out of the camp but is the only wise course we can follow.

However, under no circumstances should the restrictions on youth meetings mean the boys as individuals can not carry on some of their Scouting working in their own home and back yard.

They can work on their Second Class and First Class rank and work on requirements for merit badges. Then when we can hold the first fall Courts of Honor they will be ready to receive recognition for the work they have completed.

Also in the fall we will swing into a camping program, so how about "home-made" camp equipment and camp gadgets? Or what about practice on "camp cooking" this can be done in the backyard or in the kitchen. Boys' Life, The Scout Handbook and other literature all carry a world of good suggestions. (or check the list of Boys' Life Reports as listed in your program notebook and write them for enough for your entire Troop.)

Along with these ideas, Patrol and Troop equipment can be made or repaired; individuals (with parents' consent) might work on Troop meeting places by painting, decorating, collecting items for a Troop Museum, building equipment, etc.

Get in contact with the Scouts and not only keep them going on their Scout Work but at the same time do your community a "Good Turn" by helping provide wholesome and constructive activities for them, rather than letting them be idle. We must take time and effort and guide them in Scouting work and keep them occupied with wholesome and constructive activities.

If you need any help in any way, let me know and the help will be provided.
Sincerely,
R. L. Wolf,
Scout Executive
